Annual Report 2024-25

JUNE

Introduction

The month of June 2026 witnessed various academic, environmental, cultural, social awareness, and institutional development activities at K.V. Ustad Memorial Darul Hidaya Arts and Science College for Women. The college organised several programmes through the National Service Scheme (NSS), Women's Development Cell (WDC), Ethnographic Theatre Club, and other institutional bodies. Alongside these activities, the college made significant progress in academic administration, website updation, and the implementation of the Four-Year Undergraduate Programme (FYUGP).

World Environment Day Celebration – 5 June 2026

The National Service Scheme (NSS) of the college celebrated World Environment Day on 5 June 2026 with the objective of promoting environmental awareness and encouraging students to participate in environmental conservation activities.

The programme was inaugurated by the respected P. V. Mohammed Moulavi, Manager of the College and Secretary of Hidaya Institutions, by planting a sapling on the college campus.

As part of the celebration, the college also collaborated with Federal Bank, Edappal, to organise a tree-planting initiative. Mr. Rahul, Branch Manager of Federal Bank, inaugurated the programme by handing over saplings to the College Principal. The initiative highlighted the importance of tree planting and collective responsibility towards environmental protection.

World Oceans Day Observation – 8 June 2026

In connection with World Oceans Day, the National Service Scheme (NSS) organised a beach-cleaning programme at Ponnani Beach on 8 June 2026. Around 50 NSS volunteers actively participated in cleaning the beach and removing waste materials.

Mr. Sudheesh and Mr. Balachandran, Sub-Inspectors associated with the Ponnani Coastal Police, addressed the students and highlighted the importance of marine conservation, coastal cleanliness, and responsible environmental practices.

The programme encouraged students to develop environmental responsibility and contribute to the protection of marine ecosystems.

Launch of the "Darul Hidaya Vocabulary Notebook" Initiative – 11 June 2026

The college launched a new educational initiative titled "Darul Hidaya Vocabulary Notebook" on 11 June 2026 to improve students' English vocabulary and language proficiency.

As part of the initiative, four to five English words along with their meanings are displayed on the college notice board every day. The programme aims to help students learn new words regularly and improve their English communication skills

After two months, a vocabulary-based examination will be conducted among the students. The first three prize

winners will receive awards in recognition of their performance. The initiative is expected to promote continuous learning and encourage students to develop their language skills.

Bakrid Celebration – 14 June 2026

The Women's Development Cell (WDC) of the college organised a Bakrid celebration on 14 June 2026 to promote cultural participation, creativity, and a spirit of togetherness among students.

A Mehndi Design Competition was conducted as part of the celebration. Students enthusiastically participated in the competition and showcased their artistic talents. Prizes were distributed to the winners in recognition of their creativity and performance.

The programme provided an opportunity for students to celebrate the occasion and strengthen unity and cultural harmony on the campus

.

6. International Day of Yoga – 21 June 2026

The college observed the International Day of Yoga on 21 June 2026 under the leadership of the National Service Scheme (NSS).

Around 50 NSS volunteers participated in the yoga practice session. The programme highlighted the importance of yoga in maintaining physical fitness, mental well-being, concentration, and a balanced lifestyle.

The session encouraged students to incorporate yoga into their daily routines and develop healthy habits.

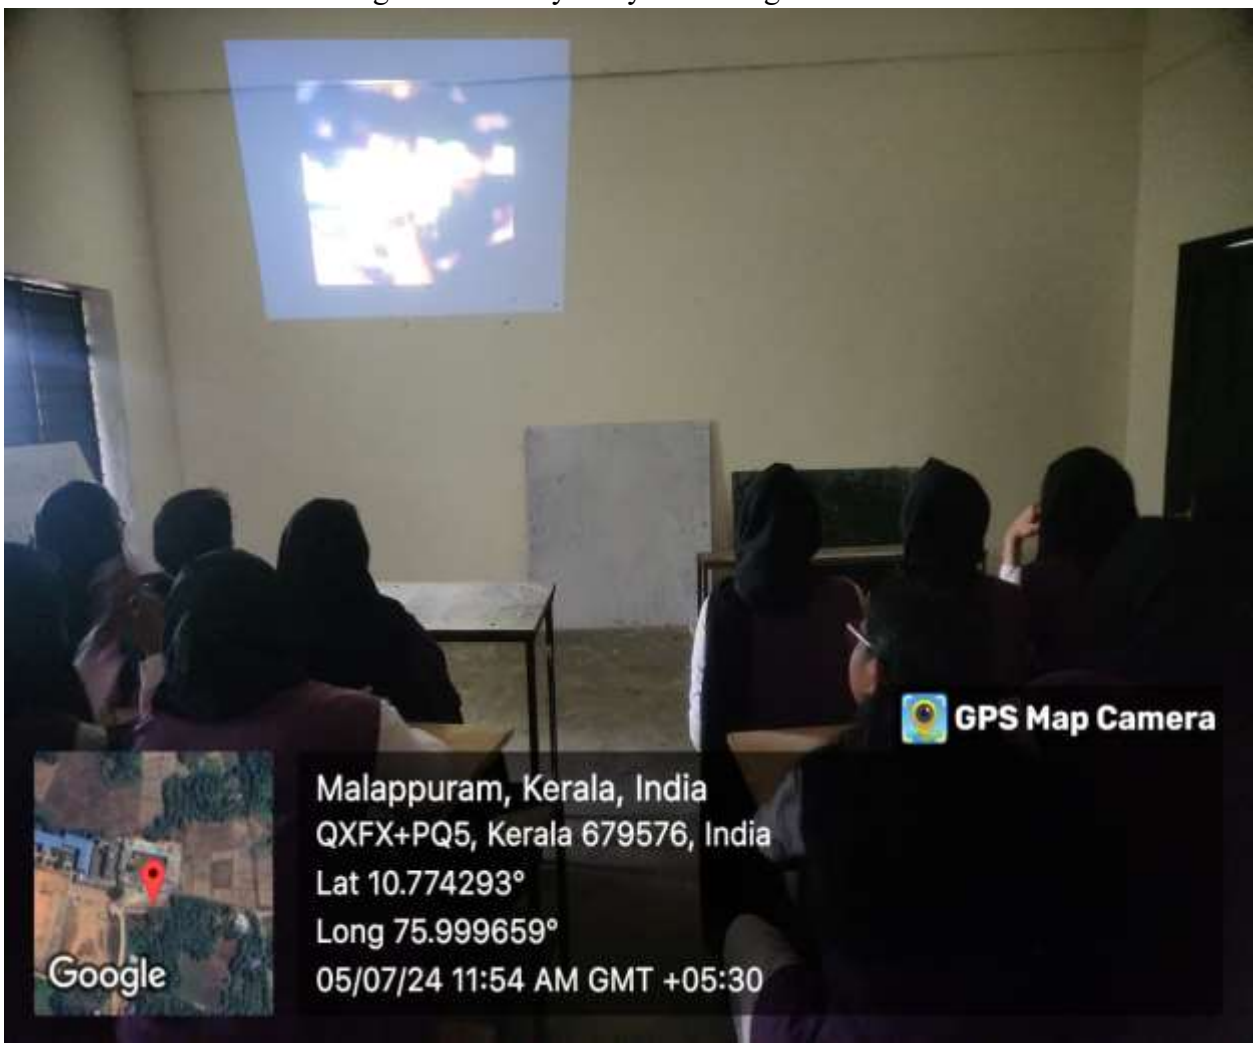

International Day Against Drug Abuse and Illicit Trafficking – 26 June 2026

The Ethnographic Theatre Club of Darul Hidaya College observed the International Day Against Drug Abuse and Illicit Trafficking on 26 June 2026.

As part of the programme, a Malayalam short film titled “Lahari” was screened to create awareness among students about the harmful effects of drug abuse and the importance of leading a healthy, responsible life.

The screening aimed to sensitise students to the social and personal consequences of substance abuse and encourage them to stay away from drugs.

AICTE Recognition and BBA Programme Development

As part of the institutional development process, the college completed the required formalities relating to the inclusion of the Bachelor of Business Administration (BBA) programme under the relevant professional course framework of the All India Council for Technical Education (AICTE).

The institution received the relevant certificate following the completion of the required procedures. This development represents an important step in strengthening the academic recognition and professional orientation of the BBA programme.

Institutional Development under the Institution's Innovation Council (IIC)

The college initiated activities related to the formation and development of its Institution's Innovation Council (IIC), a programme associated with the Ministry of Education, Government of India.

The initiative aims to encourage innovation, creativity, entrepreneurial thinking, and a culture of problem-solving among students and faculty members. The college is in the process of completing the necessary steps for establishing and strengthening the council.

[Important] - Actionable for Institution Innovation Council(IIC) - Ministry of Education's Innovation Cell- Reg. Inbox ×

Abhishek Ranjan <innovationofficer4@aicte-india.org> Fri, 17 May, 17:29

to bcc: me

Greetings from the Ministry of Education's Innovation Cell.

We hope this email finds you well.

We appreciate the establishment of the Institution Innovation Council (IIC) on your campus. As an institution that has recently established an IIC, we are sharing some important information and an attached PPT (with details of below mentioned points) for your reference.

College Website Updation

The college undertook the updation of its official website as part of its institutional development and digital information management activities. The website updation process commenced on 25 June 2026 and had progressed substantially by the end of the month.

Individual departments were updating their respective departmental information to ensure that the website reflected relevant academic and institutional details. The initiative aims to improve the accessibility, accuracy, and presentation of information about the college and its

academic programmes.

Commencement of Admissions under the Four-Year Undergraduate Programme (FYUGP)

The admission process for the Four-Year Undergraduate Programme (FYUGP), introduced under the new higher education framework, commenced during June 2026.

The college initiated the necessary academic and administrative activities to facilitate admissions and support the implementation of the four-year undergraduate degree structure.

Mr. Jishad, Vice-Principal of the college, was assigned the responsibility of serving as the FYUGP Coordinator. His responsibilities include coordinating the academic and examination-related activities associated with the programme.

FYUGP Examination Activities

The FYUGP examinations commenced on 19 June 2026 and continued according to the examination schedule. The examination process was coordinated under the supervision of Mr. Jishad, Vice-Principal and FYUGP Coordinator of the college.

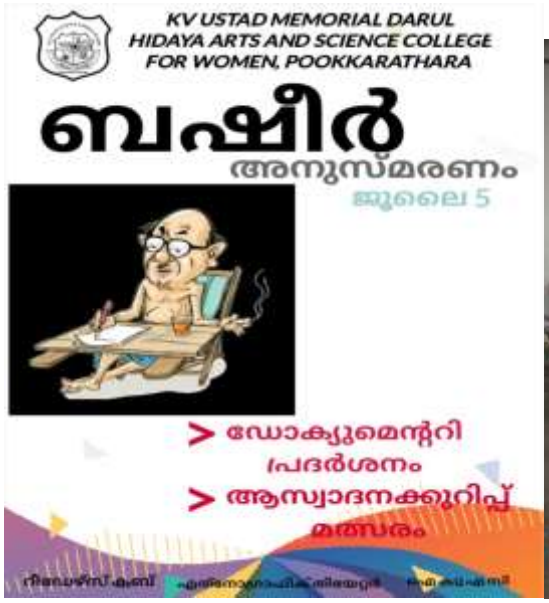

The coordinator was responsible for overseeing the examination-related arrangements and ensuring the smooth conduct of the examinations. As reported, the examination schedule extended until 29 July 2026.

JULY

On July 3: As part of fostering historical awareness among students and highlighting the institution's legacy, photographs of individuals who had been associated with the institution but are no longer with us were displayed in the college portico.

On July 5: Basheer Day was celebrated at the college. An essay-writing competition was organised to understand the interests and literary talents of the students. Certificates issued in the name of the college were distributed to the winners of the competition.

On July 8: FYUGP (Four-Year Undergraduate Programme) Orientation Ceremony

The FYUGP orientation ceremony was held on July 8 to welcome the newly admitted students to the college. The programme was inaugurated by the College Manager, P. V. Ustad. Social and political activist Nawaz Ailakkad attended the function. The programme was presided over by the College Principal, Hashim Thadathil. In his inaugural address, P. V. Ustad briefed the students about the future plans and development of the college.

On July 15: The B.Com and BBA students of the college, accompanied by their teachers, visited Oushadhi, a renowned Ayurvedic medicine manufacturing company in Thrissur, as part of an industrial visit.

On July 17: As part of the newly introduced Four-Year Undergraduate Programme (FYUGP), a class was conducted by Jishad Sir for the newly admitted students. The session provided detailed guidance on the structure of the four-year programme, the available papers and elective options, and the examination system of the course.

On July 19: Under the initiative of the National Service Scheme (NSS), students participated in cleaning activities at Sneharamam as part of their commitment to environmental cleanliness and social responsibility.

On July 21: To enhance students' confidence in speaking, understanding, and reading English, the college subscribed to The Hindu newspaper. In addition, a new newspaper reading stand was constructed and made available for students to use.

On July 22:

- The undergraduate (UG) and postgraduate (PG) semester examinations were completed during this month.
- FYUGP degree admissions are continuing.
- Postgraduate (PG) admissions also commenced during this period.

On July 14: An additional 1,000-litre water tank was installed at the college alongside the existing tank to improve the water supply. The old green pipe connected to the motor was replaced with a new PVC pipe.

On July 31: As part of setting up a new computer room, the entire classroom was tiled to prepare it for use as a computer laboratory.

On July 25: As part of the initiative to promote personality development and build self-confidence among newly admitted students, a training session was conducted under the leadership of IQAC. The session was led by Trainer Mujeeb Rahman from Angloring Academy, Edappal.

On July 29: To promote the moral and academic development of students, all students of the college were divided into groups and assigned to individual teachers for academic orientation and guidance.

This initiative was named the Darul Hidaya Mentoring Programme. One hour is dedicated to this programme every month to provide students with regular guidance and support.

AUGUST

August 2024, A month of academic, awareness, environmental, cultural, sports, and student development programmes.

August 1: Mission Life (Lifestyle for Environment)

On **1 August 2024**, our college was selected as one of the **22 colleges from Kerala** to participate in **Mission LiFE (Lifestyle for Environment)**, a nationwide initiative implemented by **AICTE** in colleges across India. As part of this programme, a variety of awareness and environmental activities were conducted on the campus.

The programme was officially launched on **1 August 2024**, with its first objective being the promotion of a **"Less Plastic Campus"** campaign. Students were encouraged to reduce the use of plastic and adopt environmentally friendly practices within the campus.

As part of the initiative, **second-year students** conducted awareness sessions for **first-year students** on the importance of environmental cleanliness and personal hygiene. A presentation-based class using **PowerPoint (PPT)** was organized in the college seminar hall, where the second-year students effectively highlighted these topics. The session was highly informative and beneficial for the participants, helping to create greater awareness about sustainable living and responsible environmental practices.

As part of the Mission LiFE Programme, the college canteen decided to discontinue the sale of items containing or packaged in plastic, thereby supporting the initiative to reduce plastic consumption on campus and promote environmentally sustainable practices.

The programme also focused on creating awareness among students about the importance of energy conservation and the responsible use of water resources. Awareness campaigns were conducted to encourage students to avoid the unnecessary use of electricity and water. In addition, stickers carrying messages requesting students to switch off electrical appliances before leaving their classrooms were placed near electrical equipment throughout the campus.

Furthermore, to promote effective waste segregation and management, colour-coded waste bins were installed at various locations across the college campus for the separate disposal of paper, plastic, and food waste. Students were instructed to dispose of waste only in the designated bins according to the type of material, thereby fostering responsible waste management practices and environmental consciousness.

August 6- Hiroshima Day

On **6 August 2024**, in connection with **Hiroshima Day**, the NSS unit organized a **Quiz Competition** and a **Poster Making Competition** at the college. Certificates were distributed to the students who emerged as winners in the competitions.

August7-Cervical Cancer Awareness Programme

On **7 June 2024**, the **Women Development Cell**, in association with the **IQAC**, organized a **Cervical Cancer Awareness Programme** at the college. During the programme, **Ms. Rajitha**, the resource person, conducted an awareness session for the students, explaining the causes of cervical cancer and suggesting preventive measures and possible solutions.

August 8- Hypnotism vs Mentalism: Myth and Facts

On **8 June 2024**, the **IQAC** and the **Department of Psychology** jointly organized a session for students on the topic **"Hypnotism vs. Mentalism: Truth and Myth."** The session was led by the renowned psychologist **Sahib Payyanur**, who provided valuable insights and awareness on the subject. The programme received an excellent response from the students, making it a highly engaging and informative event.

August 9- National Space Day

On 9 August 2024, KVUM Darul Hidaya College had the opportunity to participate in the National Space Day Celebration, a nationwide initiative organized by ISRO in colleges across the country. The programmes suggested by ISRO were successfully conducted on the college campus.

As part of the celebration, Rizwana, a second-year student, explained the significance of National Space Day to the students. A quiz competition was also organized in connection with the event. In addition, students designed and exhibited rocket models, and a competition was conducted to encourage creativity and interest in space science. The programme received enthusiastic participation from the students and contributed to enhancing their awareness of space exploration and scientific innovation.

Essay Writing Competition

On 9 August 2024, an Essay Writing Competition and an Exhibition Competition were organized for the college students based on the theme “Scientific Temper and Social Life.” The programmes aimed to encourage students to develop a scientific outlook and understand its relevance in everyday social life. Students actively participated in the competitions, showcasing their creativity, critical thinking, and awareness of the role of science in society.

August 10- **Partnership with Kerala Tourism Department and Tourism Club Development Initiative**

On **10 August 2024**, **K.V. Ustad Memorial Darul Hidaya College** was selected as an **official partner of the Kerala Tourism Department**. As part of the initial discussions, **Mr. Jishad**, the Tourism Club Coordinator, attended a meeting held at the **Malappuram Collectorate**.

During the meeting, Mr. Jishad was entrusted with the responsibility of preparing and submitting a proposal outlining the activities and programmes to be implemented by the **Tourism Club** within the college and in the surrounding community. This partnership marked an important step in promoting tourism awareness and community engagement through student-led initiatives.

August 12- Anti Ragging Day

On **12 August 2024**, **Anti-Ragging Day** was observed at the college. As part of the observance, the students took an **anti-ragging pledge** and solemnly declared that they would never engage in or support ragging in any form throughout their lives.

The programme aimed to create awareness about the harmful effects of ragging and to promote a safe, respectful, and inclusive campus environment for all students.

August 12- career guidance

On **12 August 2024**, an awareness programme on **higher education opportunities** was organized for the first-year students of the college. The session aimed to help students understand various academic and career pathways available after graduation.

The programme included a **Career Guidance Class** conducted by **Mr. Sreejan**, the Resource Person from **ISDC Prodigy**. During the session, he provided valuable insights into higher education options, career planning, skill development, and emerging opportunities in different professional fields. The class was highly informative and helped students make more informed decisions about their future academic and career goals.

August 13-Nash Mukt Bharat Abhiyan: An Anti drug Awareness

On 13 August 2024, the college organized Nasha Mukt Bharat Abhiyan, an anti-drug awareness campaign initiated by the Government of India. The programme aimed to educate students about the harmful effects of substance abuse and the importance of leading a healthy and drug-free life.

As part of the campaign, the students took a pledge affirming their commitment to staying away from all forms of intoxicants and addictive substances. They collectively vowed to maintain a drug-free lifestyle and to contribute towards creating a healthy and responsible society. The programme helped strengthen awareness about the importance of preventing substance abuse among young people.

August 14- parents meeting report

On 14 August 2024, the Department of Geology organized a Parents' Meeting for the parents of its second-year students. The meeting provided an opportunity for parents and faculty members to interact and discuss the academic progress, attendance, and overall development of the students.

The programme helped strengthen the relationship between the institution and parents, enabling

constructive discussions on ways to support students in their educational journey and personal growth.

August15- Independence Day

15 August 2024, **Independence Day** was celebrated with great enthusiasm and patriotism at the college. The celebrations commenced with the **flag hoisting ceremony**, led by the College Manager, **P. V. Mohammed Maulavi**, who hoisted the National Flag and inaugurated the Independence Day programme.

The event brought together students, faculty members, and staff to commemorate the nation's freedom and to pay tribute to the sacrifices made by the freedom fighters. The celebration fostered a sense of national pride, unity, and responsibility among the participants.

Flag Hoisting by P V Muhammed Moulavi

INAUGURATION OF MODERNIZED DIGITAL LAB

INAUGURATION OF K V U M IQAC CHAMBER

INAUGURATION OF VICE PRINCIPAL CHAMBER

Computer Lab and IQAC Chamber inauguration

On the same day, **15 August 2024**, the **newly established Computer Laboratory** of the college was formally inaugurated by the College Manager, **P. V. Mohammed Maulavi**. The inauguration marked a significant step in enhancing the institution's technological infrastructure and providing students with improved access to modern computing facilities.

The new computer lab is expected to support academic activities, digital learning, and skill development, thereby contributing to the overall educational growth of the students.

On 15 August 2024, the newly constructed IQAC Chamber of the college was formally inaugurated by the respected College Manager, P. V. Mohammed Maulavi. The inauguration marked an important milestone in strengthening the institution's quality assurance and academic development initiatives.

On the same occasion, the newly established Vice Principal's Chamber was also inaugurated under the leadership of P. V. Mohammed Maulavi. These new facilities were created to enhance the administrative and academic functioning of the college and to provide a more efficient working environment for the institution's leadership and quality assurance activities.

August 17: Farm Day

On 17 August 2024, students of our college participated in the Farmers' Day Celebration organized by the Edappal Panchayat Krishi Bhavan in connection with Farmers' Day. The programme highlighted the importance of agriculture and recognized the valuable contributions of farmers to society.

As part of the celebration, seeds distributed by the organizers were received by the students. The initiative encouraged students to develop an interest in agriculture, environmental sustainability, and food production while fostering greater appreciation for the farming

August 20-Campus Infrastructure Maintenance and Beautification Programme

On 20 August 2024, painting and maintenance work were carried out on 50 newly constructed desk-benches in the college. The initiative was undertaken to improve the appearance and durability of the furniture and to provide a better learning environment for students.

In addition, painting work was also completed in the college portico and corridors, enhancing the overall aesthetic appeal and cleanliness of the campus. These efforts contributed to creating a more pleasant and welcoming atmosphere for students, faculty, and visitors.

August 21- Entrepreneurship Development Club

On **21 August 2024**, the **Entrepreneurship Development (ED) Club** was officially launched in the college. The club was established with the objective of fostering entrepreneurial skills, innovation, and leadership qualities among students.During the inaugural meeting, it was decided to organize a variety of programmes and activities throughout the academic year to promote entrepreneurship and self-employment opportunities. The club also resolved to conduct its **Entrepreneurship Development Programmes** in collaboration with the **Institution's Innovation Council (IIC)**, thereby

encouraging innovation, creativity, and an entrepreneurial mindset among students.

On 21 August 2024, the college organized a felicitation ceremony to honor the students who had successfully completed their studies and graduated from the institution in the previous academic year. The programme recognized their achievements and contributions to the college and wished them success in their future endeavors.

On the same day, the college also conducted a Welcome Programme for First-Year Students. The newly admitted students were warmly welcomed to the college community by the management, faculty members, and senior students. The programme aimed to help them feel comfortable in their new academic environment and to introduce them to the values, opportunities, and activities of the institution.

August 24 – Indian Independence Day Essay writing competition

On **24 August 2024**, the **Readers' Club** organized an **Indian Independence Day Essay Writing Competition** in both **Malayalam and English**. The competition provided students with an opportunity to express their thoughts on the significance of India's independence and the values of patriotism, freedom, and national unity.

A large number of students participated enthusiastically in the event. Certificates were distributed to the winners in recognition of their outstanding performance and writing skills. The programme encouraged literary expression, critical thinking, and a deeper appreciation of the nation's history and heritage.

SEPTEMBER

2 September 2024 — Industrial Visit to Malcotex Industrial Estate

Under the ‘One Month, One Visit’ initiative, students from the Department of Commerce visited the Malcotex Industrial Estate in Athavanad. The visit provided students with an opportunity to observe an industrial setting and gain practical exposure.

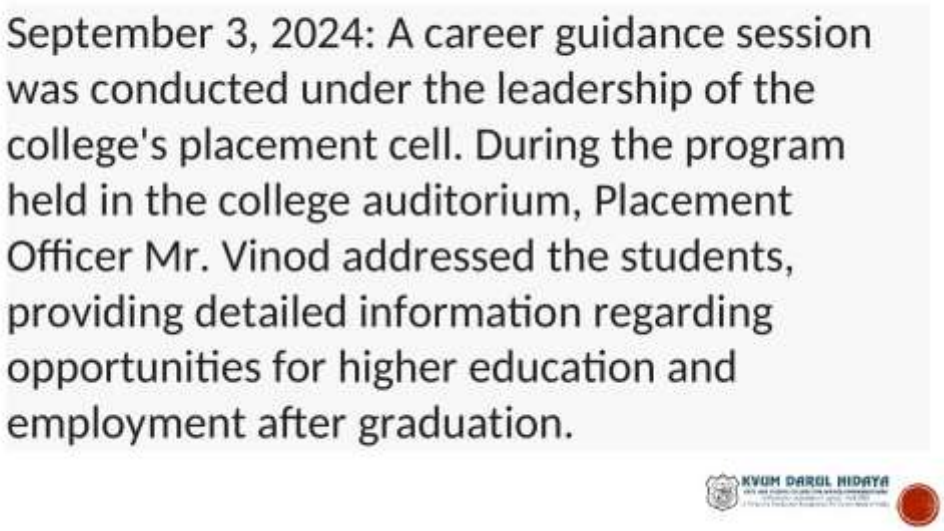

On September 2, 2024, as part of the 'One Month, One Visit' initiative, students from the Department of Commerce visited the Malcotex Industrial Estate in Athavanad.

Photographic record from the original report (page 2).

3 September 2024 — Career Guidance Session

The college Placement Cell organised a career guidance session in the college auditorium. Placement Officer Mr. Vinod addressed students and provided information about opportunities for higher education and employment after graduation.

4 September 2024 — Session on E-filing, Statutory Compliance and GST

Under the auspices of the Commerce Department, CMA trainer Mr. Deepak T.N. conducted a session for B.Com and BBA students. The session covered e-filing, statutory compliance and the prospects of GST.

5 September 2024 — Teachers' Day Celebration

Teachers' Day was celebrated on the college campus, led by students and teachers. The programme recognised the contribution of teachers and encouraged a spirit of appreciation within the college community.

6 September 2024 — Collaboration for an Add-on Course

As part of the launch of an add-on course at the college, an agreement was signed to establish collaboration. The supplied report includes a photograph of the agreement-related activity; the partner's name is not clearly stated in the available text.

7 September 2024 — National Space Day

As part of the college's celebration of National Space Day, College Manager Sri P.V. Muhammed Maulavi received the official ISRO certificate from the College Principal.

8 September 2024 — Tourism Promotion Activity

Following the directives of the District Tourism Promotion Council (DTPC), students from Darul Hidaya College visited designated tourism sites in the B.M. and Ponnani areas. They created reels as instructed and submitted them to the DTPC.

9 September 2024 — Tourism Day Workshop

Students Ashik Jahan and Nafila represented the college at a one-day workshop organised by the Malappuram District Collector in connection with Tourism Day.

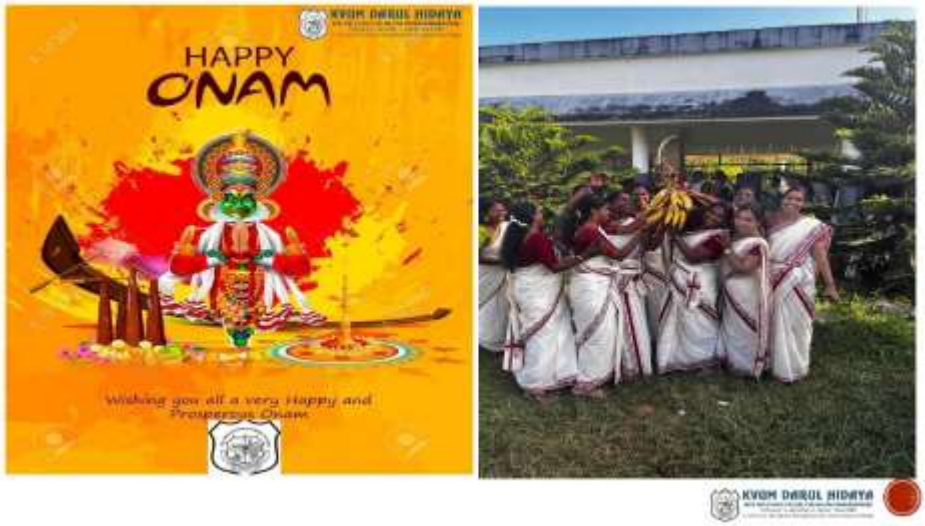

10 September 2024 — Photography Contest

A photography contest was organised at the college to mark World Photography Day. Many students participated, and prizes were distributed to the winners.

12 September 2024 — Onam Celebration

Onam was celebrated on a grand scale on the college campus. Various cultural and sports competitions were organised for students and teachers, and a floral carpet (pookkalam) was created.

22 September 2024 — Inauguration of the Institution's Innovation Council

College Manager P.V. Muhammed Maulavi inaugurated the Institution's Innovation Council.

September 22, 2024. College Manager P.V. Muhammed Maulavi inaugurated the Institution's Innovation Council.

22 September 2024 — Constitution of the Institution's Innovation Council

The Institution's Innovation Council was constituted. Mr. Fazlur Rahman, CEO of Nellara, assumed office as an official external member.

September 22, 2024. The Institution's Innovation Council was constituted. Mr. Fazlur Rahman, CEO of Nellara, assumed office as an official external member

22 September 2024 — Interaction with Students

Mr. Fazlur Rahman, CEO of Nellara Group, interacted with students as an invitee at an Institution's Innovation Council event.

24 September 2024 — NSS Day and Visit to an Autism Centre

NSS Day was celebrated at the college. As part of the celebrations, students visited an autism centre and distributed study materials. Students also presented songs and other cultural performances for the children. The accompanying teachers expressed satisfaction with the visit.

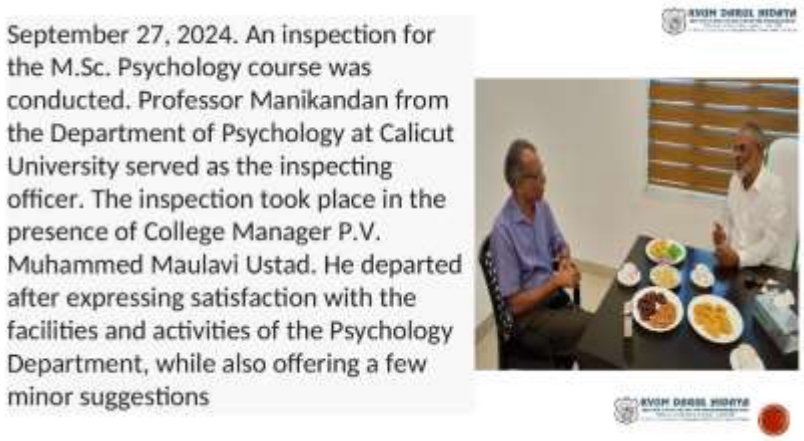

27 September 2024 — World Tourism Day and Tourism Club Logo Launch

World Tourism Day was celebrated at the college. As part of the celebrations, the college Tourism Club logo was unveiled jointly by Professor Manikandan from the Department of Psychology at the University of Calicut and College Manager P.V. Muhammed Maulavi.

27 September 2024 — Inspection of the M.Sc. Psychology Course

An inspection for the M.Sc. Psychology course was conducted by Professor Manikandan from the Department of Psychology at the University of Calicut. The inspection took place in the presence of College Manager P.V. Muhammed Maulavi Ustad. The inspecting officer expressed satisfaction with the facilities and activities of the Psychology Department and offered a few minor suggestions.

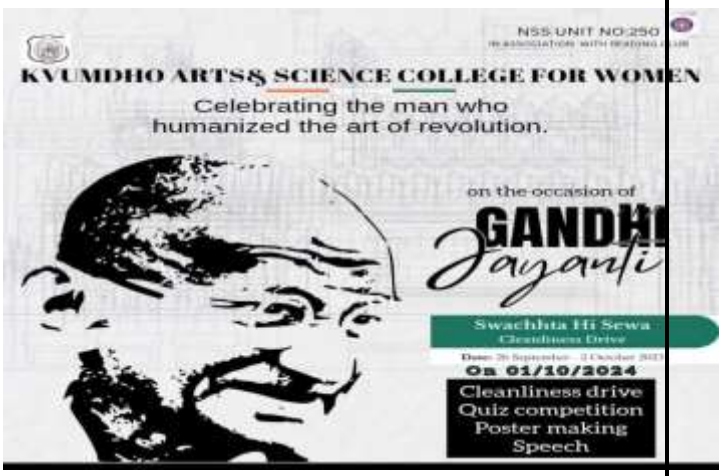

OCTOBER

October 1, 2024:

In connection with World Elderly Day, the NSS organized a pledge-taking programme at the college to create awareness among students about the importance of caring for and protecting elderly people.

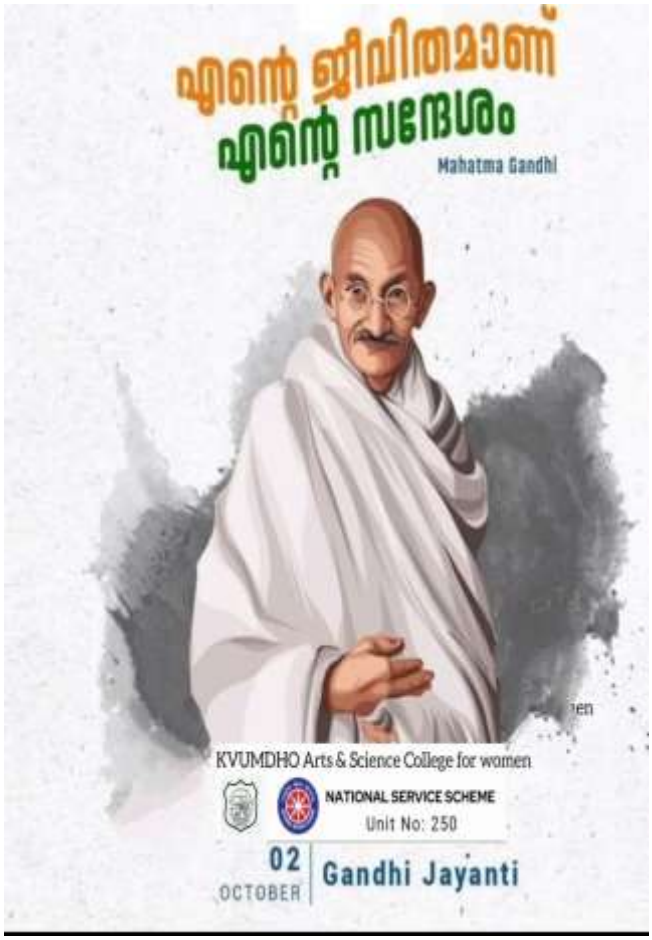

October 3, 2024:

A seminar on the topic “Learning Disabilities Among Students” was organized under the leadership of the Department of Psychology in association with In Care Academy, Kumbidi. Psychology facilitators from In Care, Hameeda Sherin and Abisha Rina Beevi, conducted a class for the students of the college.

October 3, 2024:

The NSS observed Seva Week at the college as part of the Swachhata Hi Seva cleaning drive. As part of the programme, Pookkarathara Sneharamam was cleaned. Plastic and paper waste from the Pookkarathara bus stop and petrol pump areas were also segregated, collected in separate sacks, and handed over to the Haritha Karma Sena.

October 5, 2024:

As part of the Bharat Mission Project, NSS students of the college visited a Lower Primary School and cleaned the special school area there.

October 6, 2024:

In connection with World Geodiversity Day, Arshiya, a third-year Geology student of the college, conducted a class for the students and teachers.

October 7, 2024:

As part of International Space Week, various programmes were organized under the leadership of the Department of Physics.

October 8, 2024:

A chess competition was organized under the leadership of the Tourism Club of the college. Roonsha, a final-year M.Sc. Physics student, emerged as the winner.

October 10, 2024:

As per the instructions of the University of Calicut, the College Union Election was conducted at the college. Sana Sharin C.V., a third-year BBA student, was elected as the new College Chairperson.

October 14, 2024:

In connection with World Mineral Day, the Department of Geology organized a class for students and teachers. Arshiya Kabeer, a third-year student of the Department of Geology, conducted the class. A competition was also organized for the students. Different types of mineral specimens available in the Geology Department laboratory were introduced to the teachers and students of other departments.

October 14, 2024:

The students of the college participated in the Njaru Nadil Festival. Around fifty students of the college participated in the programme under the leadership of the NSS. M.P. Surendran, Agricultural Officer of the Edappal Krishi Bhavan, inaugurated the programme.

October 16, 2024:

When this year's UGC NET results were announced, Balkees M.N., a 2021–2024 M.Com student of Darul Hidaya College, qualified for the NET examination.

October 17, 2024:

In connection with International Earthquake Day, the Department of Geology organized a class for the students. Misna M.V., a second-year student, explained earthquakes, the disasters caused by them, and their scientific causes to the students.

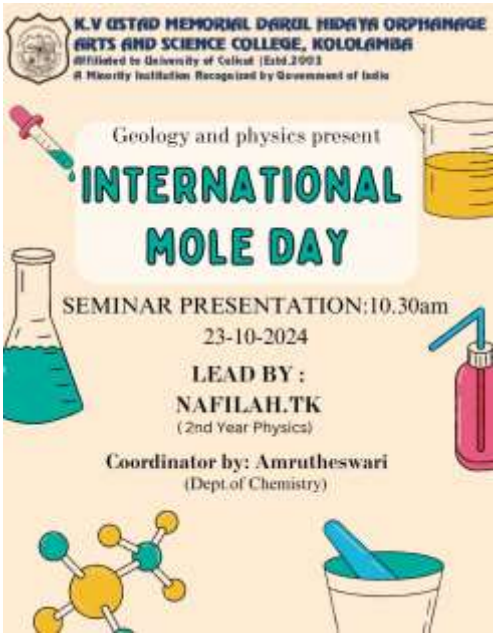

October 20, 2024:

B.Com and BBA students of Darul Hidaya College participated in the online Career Orientation Programme implemented by AICTE under the leadership of the Institution Innovation Council.

October 23, 2024:

Various programmes were organized at the college in connection with International Mole Day. Nafila, a second-year B.Sc. Physics student, conducted a class introducing International Mole Day to the students.

October 23, 2024:

As part of the One Month One Visit programme, the Department of Commerce visited Mangalodayam Ayurveda Unit, Changaramkulam. The students interacted with the Managing Director of Mangalodayam, who explained the Ayurveda production process to them.

October 24, 2024:

In connection with the Add-On Course that is going to be started for the first time at our college in association with the TALLY Academy, Edappal, Professor Gigi, the Kerala Coordinator and South Indian Regional Coordinator of TALLY Academy, visited the college. She conducted a class for the students who had opted for the Add-On Course and explained the importance of the certificate course.

October 25, 2024:

The students who were elected to the University Union Council for this year were blessed by the respected Ustad, Manager of the College and Rector of Darul Hidaya. The students assured Ustad that they would provide all possible support and cooperation required for the growth of the college.

October 28, 2024:

The Women Development Cell and Entrepreneurship Development Cell of the college jointly organized a craft exhibition. Many students participated in the exhibition.

October 30, 2024:

As part of the One Month One Visit programme, the Department of Psychology visited Punarjani Ayu-Arogya Institution, Thrissur.

Infrastructure Development:

As part of the infrastructure development of the college, the development of the stage is currently in progress. Handrails, fans, and lights have been installed on both sides.

November 1, 2024: Kerala Piravi Celebration

Kerala Piravi, the formation day of Kerala, was celebrated at the college. Various programmes were organised under the leadership of the students, including **Thiruvathira, Nadan Paattu, and a quiz competition**.

November 3, 2024: Career Guidance Class

A career guidance class was conducted for the science students of **Darul Hidaya Higher Secondary School, pookkarathara,** under the leadership of the teachers from the **Department of Psychology, KVUM DHO Arts & Science College**. The session provided detailed information about the **importance of Psychology as a course and its career opportunities**.

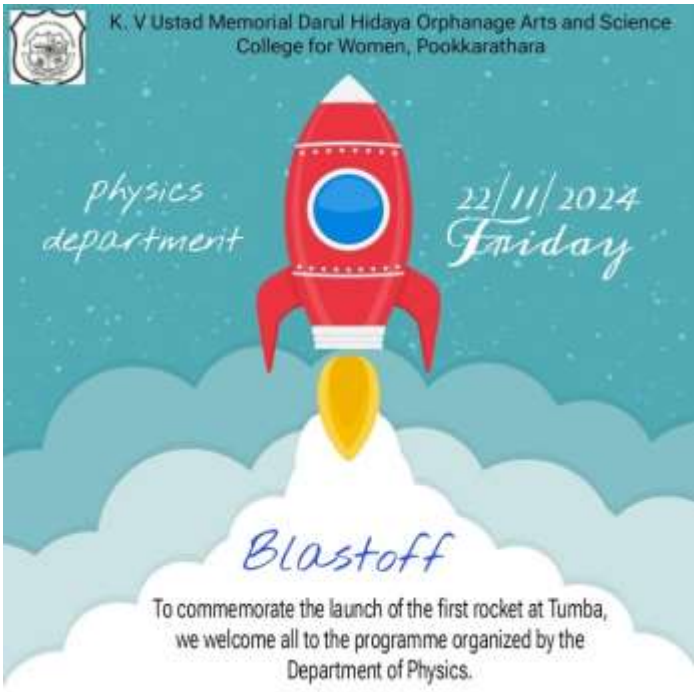

November 5, 2024: As part of beautifying the college campus and promoting environmental conservation, the plants in the front area of the campus were sprayed with appropriate treatment, trimmed, and cleaned.

November 6, 2024: Tile and granite installation work was carried out on the new stage being constructed inside the college. The work is still in progress.

November 7, 2024: The necessary electrical works and installation of electrical equipment for the stage were carried out.

November 10, 2024: World Science Day Celebration

World Science Day was celebrated on a grand scale under the leadership of the Department of Physics at the college. The college NSS unit organized a pre-camp orientation class for the students

On November 15, a campus beautification programme was organized jointly by the college's Nature Club and Tourism Club, with the support of first-year students. As part of the initiative to promote agriculture on the college campus, pumpkin plants were planted.

On November 16, an AI workshop was organized by bringing together various institutions under Darul Hidaya

.

November 20: The Department of Geology organized a Parent-Teacher Meeting.

On November 21, three students represented the college and participated in a three-day National Seminar organized by the Department of Psychology, University of Calicut, at the University Seminar Complex.

The International GIS Day was celebrated on a grand scale under the leadership of the Department of Geology.

November 22: The Department of Psychology organized a Parent-Teacher Meeting.

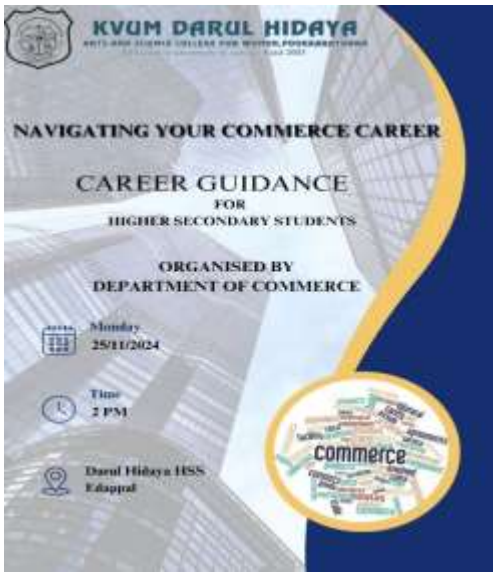

November 23: The Department of Commerce organized its PTA meeting.

November 23: Ten students participated in the Kerala Science Plan 2024 seminar held at the University of Calicut campus, representing the Physics and Geology Departments of Darul Hidaya College.

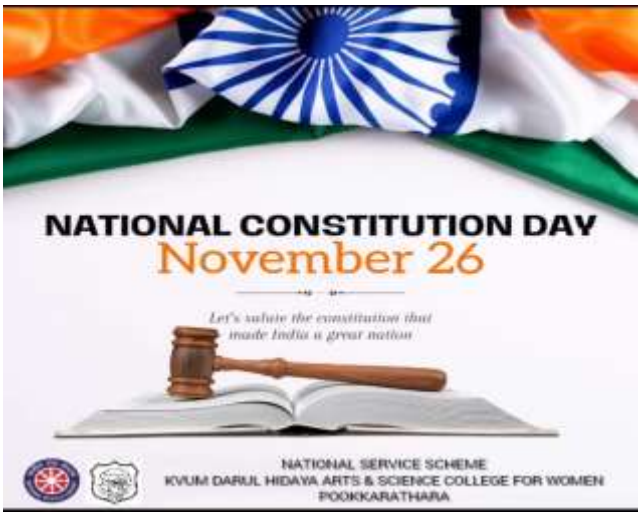

November 25: Under the leadership of the College's Department of Commerce, a career guidance class was conducted for the Commerce students of Darul Hidaya Main Campus. The students were introduced to the B.Com and BBA courses offered by the college and made aware of the career opportunities and prospects associated with these courses.

On November 26, Constitution Day was celebrated at the college. Under the leadership of the NSS, the students recited the Preamble to the Constitution. The students were made aware of the importance of protecting the Constitution.

November 27: The Department of Physics organized its PTA meeting.

MALAVIYA MISSION TEACHER TRAINING PROGRAMME

Government of India

University Grants Commission

CERTIFICATE OF PARTICIPATION

NEP 2020 ORIENTATION & SENSITIZATION PROGRAMME

This is to certify that **Ms. RAHMATH T,** Assistant Professor, Department of Arabic, KVUMDHO Arts and Science College for Women, Pookarathara, Kololamba has completed the **NEP 2020 Orientation & Sensitization Programme** (MMC-049-2024-NOV-B-01610) under Malaviya Mission Teacher Training Programme (MM-TTP) of University Grants Commission (UGC) Organised by **UGC - Malaviya Mission Teacher Training Centre (MMTTC), University of Calicut** from **18-11-2024** to **27-11-2024**.

Director/Coordinator (MM-TTC)

DIRECTOR
Malaviya Mission Teacher Training Centre(MMTTC)
University of Calicut
Thenhipalam-673635, Kerala-India

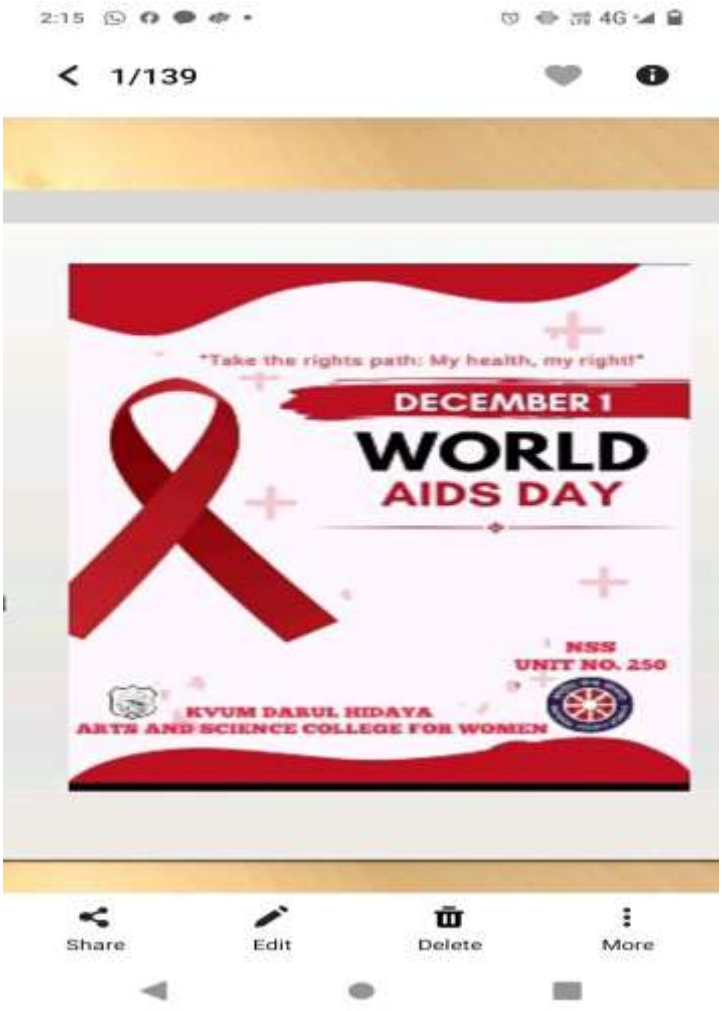

On November 28, twelve faculty members from the college participated in the Faculty Development Programme organized by the University of Calicut and received certificates.

- **November 4, 2024:** The semester examinations at the college commenced on November 4.
- **November 12:** The original SSLC and Plus Two certificates of the newly joined students were produced before the University of Calicut, and the verification process was successfully completed.
- **November 13:** The necessary procedures for increasing the intake capacity of the MSc Psychology programme offered by the college were completed.
- **November 14:** The annual information report for the previous year was submitted as requested by the University of Calicut.
- **November 16:** A new battery box was installed at the college to address the inadequate capacity of the existing battery power backup system.
- **November 17:** The Ponnani Fisheries Office was visited, and the necessary procedures were completed to facilitate Fisheries Scholarships, available to the children of fishermen, for eligible students studying at our college.
- **November 19:** The RTO office was visited, and the necessary steps were taken to provide the RTO-certified concession cards, which had been a long-standing demand of the students.
- **November 8, 2024:** The registration of students for the Tally course, being introduced this year in collaboration with Tally Academy, Edappal, was completed.

DECEMBER

World AIDS Day – 1 December

In connection with World AIDS Day, the Darul Hidaya Ethnographic Theatre Club organised a short-film screening based on the theme “My Health, My Right.” The programme used visual storytelling as a means of creating awareness and encouraging students to reflect on health, rights and social responsibility.

World Soil Day – 5 December

The Department of Geology observed World Soil Day with a series of student-centred activities. Third-year student Arshiya conducted an informative class on the importance of soil and the need for its protection. Students also planted a sapling and organised a quiz competition, combining awareness, practical action and learning.

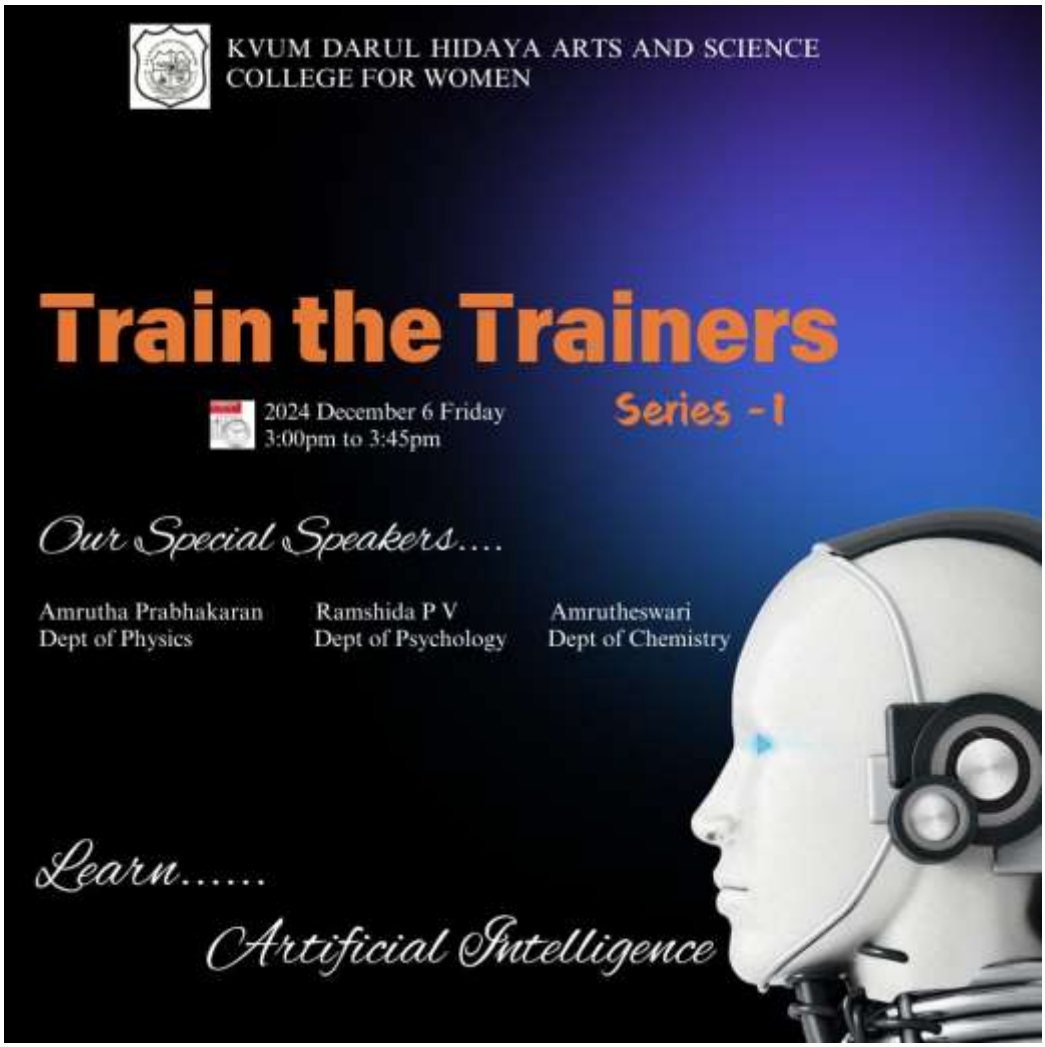

World Soil Day awareness programme.

Student-led environmental activity.

Train the Trainers – 6 December

As a continuation of the AI training programme conducted at the Hidaya campus during the previous month, the “Train the Trainers” initiative was launched. Owing to technical issues, the initial session focused on selected basic lessons for students. The programme nevertheless marked a continued effort to build digital and AI-related learning capacity.

Train the Trainers programme.

Physics Outreach – 7 December

The Physics faculty visited Darul Hidaya Higher Secondary School to introduce students to the importance of Physics, its relevance to higher education and its career opportunities. The outreach session received a positive response from the participating students and strengthened academic interaction beyond the college campus.

Physics awareness and outreach session.

Human Rights Day – 10 December

World Human Rights Day was observed under the auspices of the NSS. The programme highlighted the importance of protecting and respecting human rights. Students also organised a range of activities connected with the theme, creating an opportunity for awareness, reflection and active participation.

Human Rights Day observance.

International Mountain Day – 11 December

Students organised a quiz competition in connection with International Mountain Day. Third-year student Harshiya also conducted a class for junior students, encouraging peer learning and knowledge sharing.

Kerala Science Congress – 12 December

Four students from the Geology and Physics departments represented Darul Hidaya College at a seminar held as part of the Kerala Science Congress at the University of Calicut. Their participation and receipt of certificates provided valuable academic exposure and recognition.

Student participation in the Kerala Science Congress.

B.Com Project Orientation – 12 December

A project orientation session was organised for B.Com students. Smt. Lisha K. conducted the orientation, guiding students in understanding the expectations and process involved in academic project work.

National Energy Conservation Day – 13 December

The Department of Physics observed National Energy Conservation Day with a session focusing on energy conservation and its significance. Nita Nasrin, an M.Sc. Physics student, conducted the class for students, reinforcing the importance of responsible energy use.

National Energy Conservation Day programme.

Faculty Development – 16 December

Three teachers from the college participated in a development programme organised by the Malaviya Mission Department of the University of Calicut and received certificates. The participation reflects the institution's continued emphasis on professional development and academic enrichment among faculty members.

3. Cultural Participation & Student Achievement

Inter-College Arabic Language Festival – 17–19 December

The college achieved notable success at the Inter-College Arabic Language Festival held at K.T. Manu Musliyar College of Advanced Studies. Students represented the institution in different events and demonstrated confidence, preparation and cultural talent.

Participation in the Inter-College Arabic Language Festival.

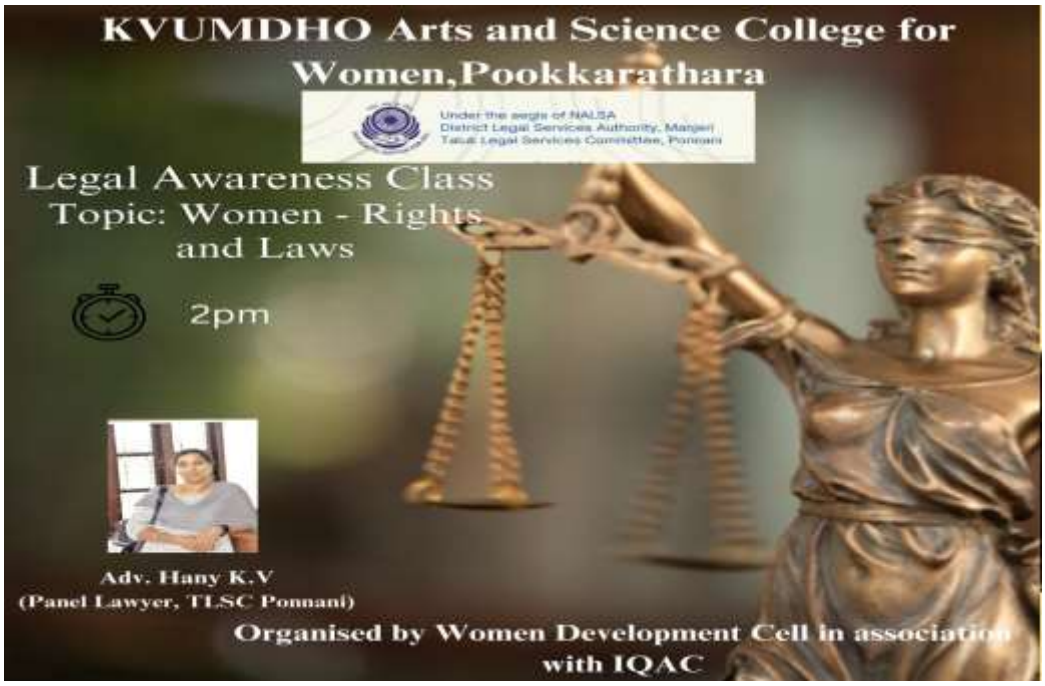

Arabic Recitation & Song – Student Recognition

Students representing the college in Arabic poetry recitation secured A Grade. In addition, Rinsha, a first-year B.Com student, secured A Grade in the Arabic song competition. These achievements highlight the students' linguistic ability, creativity and commitment to cultural activities.

Legal Awareness & Student Empowerment

Orientation on Women's Rights & Legal Protection – 19 December

In collaboration with the District Legal Awareness Society, an orientation programme was organised for first-, second- and third-year students on the topic "Women and Rights: Legal Protection." The programme strengthened students' awareness of legal safeguards and the importance of understanding rights and responsibilities.

Legal awareness orientation programme.

NSS Special Camp – 23 to 29 December

The NSS special camp was one of the major highlights of December. Conducted at Kamb & M International School, the seven-day residential camp brought together education, service, awareness and community interaction. The activities provided students with practical opportunities to contribute to the community while developing teamwork, leadership, empathy and civic responsibility.

Camp Inauguration – 23 December

The NSS camp was inaugurated at Kamb & M International School by Smt. Zubaida Teacher, President of Edappal Grama Panchayat. The inauguration formally commenced a week of service-oriented and educational activities.

NSS Special Camp – inauguration.

Cleaning Drive – 24 December

As part of the NSS residential camp, students conducted a cleanliness drive centred on Pookkarathara town. They also beautified the Sneharamam area near the Pookkarathara Mini MCF, translating the message of cleanliness into visible community action.

NSS cleanliness and beautification activity.

Medical Camp Awareness – 24 December

An awareness session on the importance of organising medical camps for students was conducted by Ansif K., Assistant Manager, Getwell Hospital. The session underlined the value of preventive health awareness and community-based healthcare initiatives.

Anti-Drug Awareness – 25 December

An anti-drug awareness class was conducted by Shri Pramod P.P., Excise Preventive Officer and Vimukthi Coordinator. As part of the campaign, the “Jyothirgamaya” initiative was organised and concluded with an anti-drug pledge, reinforcing students’ commitment to a healthy and responsible society.

Visit to Pratheeksha Bhavan – 26 December

NSS students visited Pratheeksha Bhavan, Thavanur, as part of the special camp. The students presented various cultural programmes during the visit, creating a meaningful opportunity for interaction, companionship and social engagement.

M.T. Vasudevan Nair Memorial Meeting

A memorial meeting was organised to remember the literary contributions of M.T. Vasudevan Nair. Young poet Abhilash Edappal delivered the keynote address. The session included an in-depth discussion on M.T.'s contribution to Malayalam literature, the cultural significance of his writings, the richness of language and the craft of storytelling.

Nadan Sheelukal – 26 December

To familiarise students with the rich folk traditions of Kerala, a talk by Vinod Edappal was organised on folk songs. The programme introduced students to the diversity of folk music and the beauty of its oral traditions, contributing to cultural awareness and appreciation.

Camp Visit & Institutional Support – 27 December

The NSS camp venue was visited by College Manager P.V. Muhammad Moulavi, Darul Hidaya Academic Coordinator Anwar Sadath Hudavi and School Manager Moidu. Their interaction with the camp highlighted institutional support for student-led service and learning activities.

Free Medical Camp – 27 December

The NSS Unit of the college, in association with Getwell Hospital, Edappal Naduvattom, organised a free medical camp at Ailakkad Kamb & M International School. Orthopaedic Surgeon Dr. Prathyush Pramod examined patients, and hundreds of people participated in the camp. The initiative extended the benefits of the NSS programme to the wider community.

Free medical camp organised as part of the NSS initiative.

Personality Development Programme – 27 December

Counselling psychologist and international trainer Razan Nizami conducted a personality development session for students in connection with the special camp. The programme focused on personal growth and helped complement the camp's broader educational and social objectives.

Personality development session.

School Cleaning & Waste Segregation – 28 December

NSS volunteers carried out cleaning activities at Kamb & M International School. As part of the activity, plastic and paper waste in the school compound were segregated and appropriately processed, reinforcing practical lessons in cleanliness and responsible waste management.

Fire & Rescue Awareness Visit – 28 December

NSS students visited the Fire Station, where Senior Fire and Rescue Officer Satheesh Kumar and Station Officer Sunil conducted an awareness session on fire and rescue services. The visit provided students with direct exposure to emergency-response systems and public safety responsibilities.

Visit to the Fire and Rescue Station.

NSS Camp Valedictory – 29 December

The concluding session of the NSS residential camp was inaugurated by Hashim Thadathil. NSS volunteers shared their camp experiences, reflecting on the learning, service and community interaction gained during the seven-day programme.

NSS camp valedictory programme.

Academic Milestones

The first-semester examinations of the four-year FYUGP degree programmes introduced during the year were completed. The subsequent valuation of examination papers was also successfully completed at the college. This marked an important academic milestone in the implementation of the new four-year undergraduate programme.

Green Campus Recognition

As part of the Suchitwa Kerala Mission initiative, educational institutions were inspected for cleanliness and environmental practices. The college received an A+ Grade and was recognised with a certificate as the best Green Campus in Edappal Panchayat. The recognition reflects the institution's ongoing commitment to cleanliness, environmental responsibility and sustainable campus practices.

JANUARY

6 January 2026

An exclusive knowledge session titled “Introduction to Business Counselling” was organized for the Psychology students in the college on 6 January 2026 at 10:00 a.m. The session was handled by Mr. Yahya P Amayam, Education Psychologist.

The First Semester UG Supplementary University Examination was conducted at the college on 6 January 2026.

7 January 2026

The Third Semester PG Regular University Examination was conducted on 7 January 2026.

It is a matter of great pride for our institution that the book ‘Manjuthullikal (Dewdrops) authored by our former student Rimshida E T has been selected at the Kerala Legislative International Book Festival, Thiruvanthapuram.

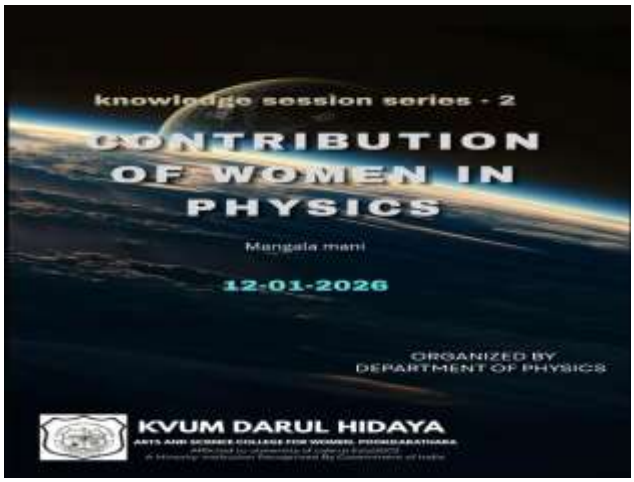

9 January 2026

The Commerce faculty participated in a seminar presentation at MTM College, Veliancode, on 9 January 2026. The presentation provided an opportunity for faculty members to share their academic insights and engage in scholarly discussions.

12 January 2026

The Department of Physics organized the second session of its Knowledge Session Series titled “Contribution of Women in Physics” on 12 January 2026. The session was led by Mangala Mani. The programme highlighted the significant contributions made by women to the field of physics and aimed to inspire students by creating awareness of the achievements and role of women in scientific research and education.

The AICTE EOA and LOA-related work was successfully completed on 12 January 2026 by Ms Surekha and Ms Fayisa. The work involved completing and organizing the required documentation and formalities.

14 January 2026

A Sky Watching programme was conducted by the B.Sc. Physics students of the college. The programme provided students with an opportunity to observe and identify various celestial objects and phenomena. It helped them connect their theoretical knowledge of astronomy with practical observation. The activity was informative and engaging, encouraging students to develop a deeper interest in astronomy and space science.

15 January 2026

As part of Palliative Care Day, the NSS Unit 250 of the institution organized a Fund Collection Drive on 15 January 2026. The initiative was intended to support palliative care activities and create awareness among students about the importance of compassionate care and social responsibility. The programme encouraged students to contribute towards the welfare of people requiring palliative support.

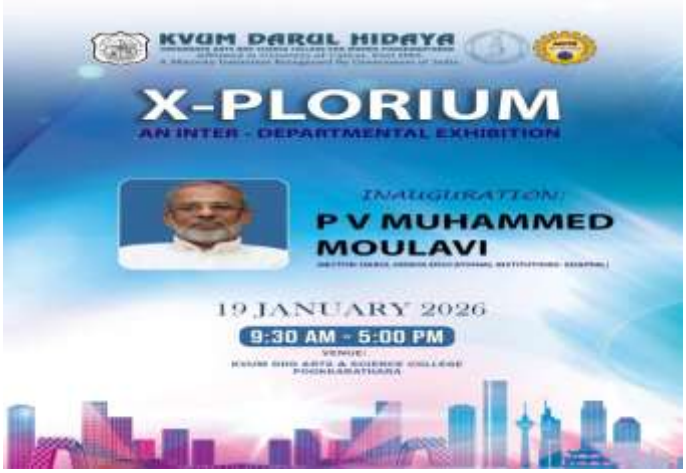

16 & 17 January 2026

A two-day Residential Skill Development Workshop, “Aspire 2026,” was conducted at the college on 16 and 17 January 2026. The workshop was led by Mr. Subhash Nair, Director, Skill Development Department, Aadhya Group of Institutions. It focused on developing students’ communication, leadership, teamwork, and employability skills. The interactive sessions helped students build confidence and enhance their personal and professional skills.

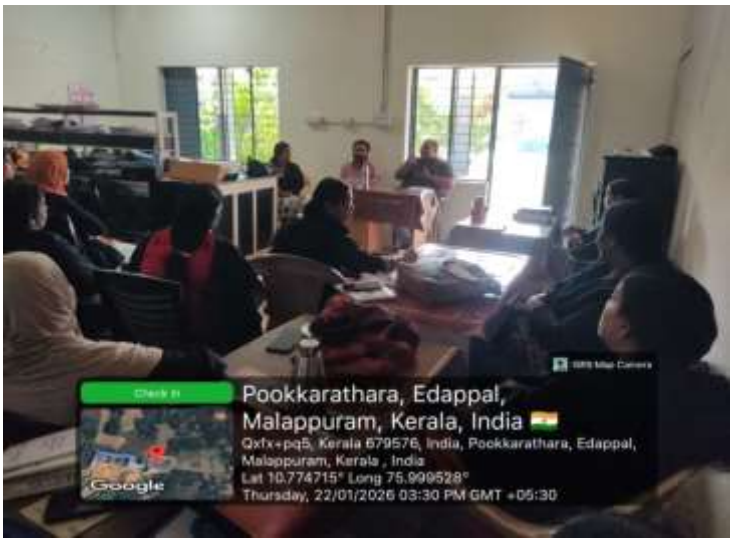

19 January 2026

An inter-departmental exhibition titled “X-Plorium” was conducted at the college on 19 January 2026. The event was inaugurated by P.V Muhammed Moulavi, Rector of Darul Hidaya Educational Institutions. The exhibition provided students with a platform to showcase their creativity, knowledge, and talents through various exhibits and activities. Students from Kadanchery High School, Darul Hidaya Higher Secondary School, Kandanakam, and Darul Hidaya School, Pookkarathara visited and participated in the exhibition. The event offered the visiting students an engaging and enriching learning experience.

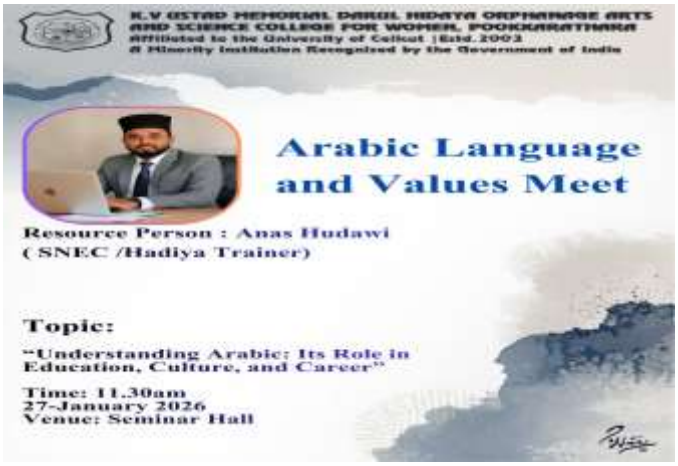

22 January 2026

A meeting on Alumnae Data Collection was conducted by Ms Lisha to discuss the systematic collection and updating of alumnae details from each department. The meeting focused on gathering accurate information of former students, including their contact and professional details. Department-wise responsibilities and methods of data collection were discussed.

27 January 2026

The Arabic Language and Values Meet was organized on 27 January 2026 at 11:30 a.m. in the Seminar Hall of the college. Anas Hudawi, SNEC/Hadiya Trainer, served as the resource person. He spoke on “Understanding Arabic: Its Role in Education, Culture, and Career.” The session highlighted the importance of Arabic in education, culture, and career development. It provided students with valuable insights into the relevance and opportunities associated with learning Arabic.

FEBRUARY

Alumni Meet & Inauguration of College Stage – 1 February

An Alumni Meet was organised at the college with the participation of former students from the 2014–2024 batches. The programme was inaugurated by Hon. P. V. Usthad. On the same day, Hon. K. S. K. Thangal inaugurated the newly constructed college stage. A significant institutional milestone was also achieved with the formation of the first Alumni Committee of the college, marking an important step towards strengthening the relationship between the institution and its alumni.

M.Sc. Psychology Academic Achievement – 3 February

The results of the **First Semester M.Sc. Psychology Examination** conducted by the **University of Calicut** were published. **Raniya K. B.**, a student of the college, secured an outstanding **A+ grade**, bringing academic recognition to the institution.

Results of the First Semester M.Sc. Psychology

Geology Study Tour – 3 February

The Department of Geology organised a 10-day study tour focusing on fieldwork and mineral collection. The tour covered various locations across Kerala, Tamil Nadu, Karnataka and Andhra Pradesh**.** The programme provided students with valuable practical exposure to geological formations, field investigation and mineral identification, complementing their classroom learning with direct field experience.

Geology Department study tour and

Stellar-Day4February

The Department of Physics celebrated Stellar Day with an academic session focusing on the universe and various constellations. Second-year student Riswana conducted the class for students.The student-led session encouraged peer learning and stimulated interest in astronomy and space science.

Stellar Day awareness and peer-learning session.

STRESS MANAGEMENT WORKSHOP – 6 FEBRUARY

Under the leadership of **Ms. Sanha Sharil**, Department of Psychology, psychology students organised a **Stress Management Workshop** for Plus One students at **Edappal Government School**. The programme focused on creating awareness about stress and introducing students to effective strategies for managing academic and personal challenges.

Stress management awareness programme at Edappal Government School.

Research and Development Workshop – 6 February

Psychology Department faculty members **Ms. Ahsana and Ms. Najila** participated in a **Research and Development Workshop** held at **Prajyoti Niketan College, Thrissur**. Both faculty members received certificates for their participation. The programme contributed to their professional development and strengthened their exposure to research-related practices.

Course Outreach: Science & Humanities – 27 March

As part of introducing the Chemistry, Physics, and B.A. English programmes offered by the college, faculty members visited **Darul Hidaya Higher Secondary School, Kandanakam**. They interacted with the students and explained the importance and career prospects of these courses.

Departmental Brochure Preparation – 30 March

As part of increasing student admissions and reaching out to prospective students, all departments were instructed to prepare brochures introducing their respective programmes and courses. The brochures prepared by the various departments were compiled as part of this initiative.

Conclusion

The academic year 2024–2025 witnessed significant achievements and progress at K.V. Ustad Memorial Darul Hidaya Arts and Science College for Women. The college organised various academic, cultural, environmental, and social awareness programmes that contributed to the holistic development of students. Industrial visits, career guidance sessions, workshops, and mentoring activities enhanced students' practical knowledge, skills, and confidence. The institution also focused on infrastructure development, quality enhancement, innovation, and community engagement. Overall, these activities reflect the college's commitment to academic excellence, student empowerment, social responsibility, and continuous institutional development.
