JUNE

2 June 2025

The college reopened on 2 June 2025, marking the commencement of the academic activities for the academic year 2025–26. The reopening marked the beginning of a new academic session and the resumption of regular teaching and learning activities on the campus. Faculty members and students returned to the college and academic activities were initiated as per the institutional schedule.

The opening of the college provided a fresh beginning for the new academic year and set the stage for the effective continuation of curricular and co-curricular activities.

REPORT ON WORLD ENVIRONMENT DAY ACTIVITIES ON 5th JUNE 2025

As part of the observance of World Environment Day on 5 June 2025, the college organised a series of activities aimed at creating environmental awareness among students and encouraging them to adopt responsible and sustainable practices.

Plantation and Cleaning Drive

A plantation and cleaning drive was organised on the occasion of World Environment Day. Students and members of the college community actively participated in planting saplings and in cleaning activities. The programme highlighted the importance of protecting the environment, maintaining cleanliness and developing a sense of responsibility towards nature.

Essay Writing Competition

An essay writing competition was also conducted as part of the World Environment Day observance. The competition focused on the importance of environmental protection and provided students with an opportunity to express their ideas and concerns regarding environmental conservation. The activity encouraged students to reflect on their role in protecting the natural environment.

Outcome

The World Environment Day activities helped to strengthen environmental awareness among students and encouraged active participation in eco-friendly practices. The programmes also promoted the values of cleanliness, conservation and collective responsibility for a sustainable environment.

Mehendi Competition

A Mehendi Competition was conducted among the students on June 6, 2025. The programme provided an opportunity for students to showcase their creativity, artistic skills and appreciation of traditional art. Students participated enthusiastically and presented attractive and creative Mehendi designs. The event encouraged creativity, cultural expression and active student participation.

Visit of Adya Institute to the College

Representatives from Adya Institute visited the college on June 6, 2025. The visit was intended to facilitate academic interaction and discussions related to educational and institutional activities. The interaction with the college management provided an opportunity to exchange ideas and explore possibilities for academic collaboration.

Photo: Representatives of Adya Institute visiting the College

Conclusion

The activities conducted on June 6, 2025, promoted student creativity and provided an opportunity for meaningful academic interaction with an external institution.

CAP REGISTRATION SUPPORT FOR FYUGP DEGREE ADMISSION ON 8 TH JUNE 2026

As part of the admission support and student facilitation activities of the college, assistance was provided to students for completing the CAP registration process for FYUGP degree admission. The registration facility was arranged at the college under the guidance of the College Management. Students were given support in completing the online registration formalities and related procedures. A number of students made use of this facility, enabling them to complete the admission registration process conveniently.

COMMENCEMENT OF FOURTH SEMESTER UNIVERSITY EXAMINATION ON 8 TH JUNE 2025

The Fourth Semester University Examination for the second-year students commenced on 10 June 2026. The college made the necessary arrangements to ensure the smooth and orderly conduct of the examination. Students attended the examination as per the university schedule and were provided with the required academic and administrative support.

Conclusion

The activities conducted during June 2026 contributed to effective student support, academic progress and the smooth implementation of university-related academic activities at the college.

MOOC ORIENTATION WORKSHOP CONDUCTED ON 11 JUNE 2025

A MOOC Orientation Workshop was conducted by the Educational Multimedia Research Centre (EMMRC), University of Calicut, in collaboration with the College Development Council, University of Calicut, on 11 June 2025 at the EMS Seminar Complex, University of Calicut. Dr./Sri./Smt. Jishad E.K. from the college participated in the workshop. The programme focused on creating awareness about MOOCs and supporting teachers in effectively using online learning opportunities, particularly in the context of the Four-Year Undergraduate Programme (FYUGP). Participation in the workshop contributed to faculty development and enhanced awareness of technology-enabled teaching and learning.

STREET BEAUTIFICATION AND COMMUNITY ENGAGEMENT ACTIVITY – 12 JUNE 2025

On 12 June 2025, an NSS-led street beautification activity was organized in connection with community engagement and campus social responsibility. Students of K.V. Usthad College participated in cleaning, painting and beautification activities in the surrounding area. The programme encouraged students to take an active role in maintaining a clean and attractive public environment. The activity also promoted teamwork, civic responsibility, environmental awareness and community participation.

FYUGP ACADEMIC MEETING on 16 June 2026

A meeting of the Heads of Departments (HODs) was held on 16 June 2026 in connection with the academic activities to be undertaken after the completion of the first year of the FYUGP Degree Programme. The meeting was convened by the University to discuss and coordinate the academic requirements and related activities of the programme.

The HODs of all departments of the college participated in the meeting. The discussions focused on the necessary academic arrangements and the effective implementation of the activities related to the FYUGP programme after the completion of the first year.

The meeting provided an opportunity for the Heads of Departments to understand the requirements, share relevant information, and ensure proper coordination for the smooth conduct of the upcoming FYUGP academic activities.

READING DAY CELEBRATION conducted 19 June 2025

Reading Day was observed at the college on 19 June 2025 with the objective of promoting the habit of reading and encouraging students to develop an interest in books and literary activities.

The programme was organised under the leadership of the National Service Scheme (NSS) of the college. As part of the observance, a reading competition was conducted for the students. Students participated actively in the competition and demonstrated their enthusiasm for reading and literary engagement.

The programme created an opportunity for students to strengthen their reading habits, improve their confidence and appreciate the importance of reading in academic and personal development. The Reading Day observance was successfully conducted with active student participation.

K-DISC CAREER ORIENTATION PROGRAMME-26 JUNE 2025

A Career Orientation Programme was organised by the Kerala Development and Innovation Strategic Council (K-DISC) on 26 June 2025 for students of the college. The programme was conducted with the objective of creating awareness among students about career opportunities, skill development and the importance of planning for their future careers.

The session provided students with useful guidance and an opportunity to interact with the resource person. Students actively participated in the programme and gained a better understanding of career-related opportunities and the skills required for their future academic and professional development.

The programme was beneficial in motivating students to explore suitable career pathways and prepare themselves for future employment opportunities.

INTERNATIONAL DAY AGAINST DRUG ABUSE AND ILLICIT TRAFFICKING

The International Day Against Drug Abuse and Illicit Trafficking was observed at the college on 26 June 2025. The programme was organised to create awareness among students about the harmful effects of drug abuse and the need to prevent substance abuse and illicit drug trafficking.

As part of the observance, an awareness programme was conducted for the students. Students were encouraged to understand the physical, psychological and social consequences of drug abuse and to adopt a healthy and responsible lifestyle. The programme also highlighted the importance of collective action in creating a drug-free society.

The awareness programme was followed by a pledge against drug abuse, in which students actively participated and reaffirmed their commitment to staying away from drugs and promoting a safe and healthy community.

The programme successfully conveyed an important social message and helped strengthen awareness and responsibility among the students regarding drug abuse and its prevention.

FISHERIES SCHOLARSHIP NODAL OFFICERS' MEETING on 28 June 2025

A meeting for Fisheries Scholarship Nodal Officers representing colleges in Ponnani Taluk was organised by the Fisheries Department, Ponnani, on 28 June 2025. The meeting was held to discuss matters related to the implementation and coordination of the Fisheries Scholarship scheme for eligible students.

The college was represented at the meeting by Jishad Sir, who attended the session as the Fisheries Scholarship Nodal Officer/college representative. The meeting provided an opportunity to receive necessary information and instructions regarding the scholarship procedures and to coordinate the implementation of the scheme at the college level.

The participation of the college representative helped strengthen coordination with the Fisheries Department and ensured that the college remained informed about the scholarship-related procedures and requirements.

JULY

Four Year Undergraduate Programme (FYUGP) in Kerala

FYUGP Orientation / Academic Session – Pookkarathara, Edappal, Kerala

The implementation of the Four Year Undergraduate Programme (FYUGP) in colleges affiliated with the University of Kerala from July 1, 2025, marks a significant development in higher education in Kerala. The programme introduces major changes to the existing undergraduate education system and aims to provide students with greater flexibility, academic choice, and broader opportunities for higher studies and career development.

Under the FYUGP framework, undergraduate education is structured as a four-year programme, with greater emphasis on multidisciplinary learning, student choice, skill development, and academic progression. Students are provided opportunities to explore subjects beyond their primary area of study and to develop a wider range of academic and practical skills. The programme also encourages learner-centred education, continuous assessment, experiential learning, internships, projects, and other activities that can strengthen students' academic and professional competencies.

The implementation of FYUGP represents an important step towards modernising undergraduate education in Kerala. By offering greater flexibility and broader academic pathways, the programme seeks to make higher education more responsive to the changing needs of students, society, and the employment sector. Its successful implementation will depend on effective academic planning, faculty support, infrastructure, and active participation from students and institutions.

Basheer Commemoration – July 7, 2025

Basheer Commemoration Programme – Book Talk: Meet the Author

REPORT

Various programmes were organised at K.V. Ustad Memorial Darul Hidayah Orphanage Arts and Science College for Women as part of the commemoration of the renowned Malayalam writer Vaikom Muhammad Basheer. The programme aimed to introduce Basheer's literary life and works to the younger generation.

As part of the event, a “Book Talk – Meet the Author” session was conducted. The book ‘Mazhathullikal’, written by college student Rifshi E.T., was introduced during the session. The author shared her writing experiences and the ideas behind the book with the students.

The commemoration programme helped students explore Basheer's simple and human-centred literary world and encouraged a reading culture among them. The programme was organised with the cooperation of NSS Unit 250.

Rain Walk – July 23, 2025

Rain Walk Programme – Nilayoram Road, Ponnani

REPORT

A “Rain Walk” was organized by K.V.U.M. Darul Hidayah Arts & Science College at Ponnani. The programme was aimed at providing students with an opportunity to enjoy the beauty of the monsoon and connect with nature.

The Rain Walk was held on 23 July 2025 along Nilayoram Road, Ponnani. Students and teachers participated in the walk, enjoying the rain, greenery, and scenic beauty of the surroundings. The programme provided a refreshing experience and helped strengthen friendship, togetherness, and a love for nature among the participants.

The Rain Walk was an enjoyable and memorable experience, offering everyone an opportunity to appreciate the beauty and charm of the rainy season.

STUDENT SAFETY AND ANTI-RAGGING AWARENESS

Student safety and a healthy campus environment were given due importance by the institution.

Anti-Ragging Day Programme. An awareness programme was organised on Anti-Ragging Day under the joint initiative of the NSS and Anti-Ragging Cell on august 12. The awareness class was led by Hyder Master, Principal of Darul Hidayah School. The programme highlighted the need for students to understand their responsibilities and to maintain healthy relationships with their peer.

INDEPENDENCE DAY CELEBRATIONS

The college celebrated Independence Day with active participation from students and staff. The programme began with the flag hoisting by the Principal, Mr. Hashim Thadathil. This was followed by cultural programmes presented by the students and the distribution of payasam. As part of the Independence Day-related activities, a face-painting competition was also conducted on 14 August. The competition encouraged students to demonstrate their creativity while participating in a programme connected with the national celebration.

INDUSTRIAL VISIT – KS ENTERPRISE (23-08-2025)

Industrial exposure is an important component of commerce and management education. In this regard, students visited KS Enterprise, Irinjalakuda on august 23, a well-known cattle-feed manufacturing company in Kerala. During the visit, students had the opportunity to observe the cattle-feed production process, stock management and plant management directly. The activities of the organisation were explained to the students by Mr. Varghese. The industrial visit helped students connect classroom concepts with real organisational practices. It also enhanced their understanding of production processes, inventory management and plant operations.

STUDENT MENTAL HEALTH AND DEVELOPMENT INITIATIVE (27-08-2025)

The Psychology Department initiated the formation of the Eunoia Association, with activities beginning during the month. The initiative focused on the mental health, learning and social life of college students. The establishment of such an association reflects the institution's recognition that student development extends beyond academic achievement. Emotional well-being, social interaction and a supportive learning environment are also important aspects of higher education.

ONAM CELEBRATIONS (28-08-2025)

The college celebrated Onam through a variety of cultural and traditional programmes on August 28

The celebrations included: Thiruvathira, Pookkalam competition, Tug-of-war and Various cultural programmes, Onam Sadhya. Students and teachers participated together in the Onam Sadhya, making the celebration a memorable occasion for the entire college community. The programme promoted cultural awareness, teamwork, cooperation and a sense of belonging among students and staff. Participation in traditional celebrations also helped students appreciate Kerala's cultural heritage. The celebration demonstrated the importance given by the institution to cultural activities and student participation.

FACULTY ACADEMIC AND PROFESSIONAL PARTICIPATION

The college encouraged faculty members to participate in academic and professional activities. The Principal represented the college in an AICTE-led one-day Development Programme. Such participation provides opportunities to understand developments in higher education and institutional development. The Principal also participated in the KAPILA Intellectual Property Rights Seminar conducted under the initiative of AICTE on August 6. In addition, eight female teachers from the college participated in a paper valuation camp at Government College, Pattambi. Faculty participation in such programmes contributes to professional development and helps strengthen the academic and administrative functioning of the institution.

STUDENT PARTICIPATION IN EXTERNAL PROGRAMMES

The college encouraged students to participate in programmes organised outside the institution. Two students, Nafila and Rizwana, represented Darul Hidayah College at a two-day Destination Camp held at Kasaragod on August 4 under the Department of Tourism, Government of Kerala. In another programme, six students participated as volunteers representing Darul Hidayah College in the Onam Week celebrations organised by the Kerala Tourism Department in Kozhikode. Such participation provides students with exposure to public programmes, tourism-related activities, volunteering and social interaction. It also strengthens the visibility of the institution in external academic and community platforms.

MOOC AND SWAYAM OPPORTUNITIES

The college made information regarding UGC-recognised courses available through the MOOC and SWAYAM platforms accessible to students. This initiative encouraged students to explore learning opportunities beyond the conventional classroom environment. Online learning platforms can support continuous learning and provide students with access to additional academic resources.

The initiative also reflects the institution's efforts to encourage students to make use of available digital learning opportunities.

SEPTEMBER

TEACHER'S DAY OBSERVATION-SEPTEMBER 05, 2025

The monthly activities commenced on September 5, 2025, with the annual observation of Teacher's Day across all academic departments. Students across campus organized appreciation events to express gratitude to the faculty, acknowledging their dedication and the lasting impact educators have on student growth both inside and outside the classroom.

SKILL DEVELOPMENT SESSION: "മനുഷ്യർക്കും ചിറ കോ"SEPTEMBER 10, | 10:00 AM

On September 10, 2025, at 10:00 AM, an inspiring skill development session titled "മനുഷ്യർക്കും ചിറകോ...?" (Do Humans Have Wings...?) was conducted for the students. Led by trainer and speaker Rafeena Veliankode, the interactive workshop focused on self-assessment, overcoming personal obstacles, breaking self-imposed limitations, and building confidence to achieve goals.

PAPER BAG MAKING WORKSHOP

ED Club & Dept. of Commerce

September 18, 2025 | 01:30 PM

Following the environmental screening on September 18, 2025, at 1:30 PM, the Entrepreneurship Development (ED) Club in association with the Department of Commerce & Management Studies hosted a practical Paper Bag Making Workshop in the Seminar Hall. Led by trainer Ms. Ambili KN, Assistant Professor in the Department of Commerce & Management Studies, the hands-on session provided students with practical ecofriendly craftsmanship and fundamental principles of eco-entrepreneurship.

The poster features a central image of several brown paper bags. To the left of the bags, the date and time are listed: '18 September 2025' and '1.30 pm'. Below the time is a location pin icon and the text 'SEMINAR HALL'. To the right of the bags, the trainer's name 'Ms. AMBILI KN' is displayed in large blue letters, followed by her title 'Asst. Professor' and department 'Department of Commerce & Management Studies'. At the top left of the poster is the Entrepreneurship Development Club logo, and at the top center is the text 'ENTREPRENEURSHIP DEVELOPMENT CLUB' and 'DEPARTMENT OF COMMERCE & MANAGEMENT STUDIES'. At the bottom left is the college's crest, and at the bottom center is the college's full name and affiliation: 'K.V USTAD MEMORIAL DARUL HIDAYA ORPHANAGE ARTS AND SCIENCE COLLEGE FOR WOMEN, POOKKARATHARA', 'Affiliated to the University of Calicut | Estd. 2003', and 'A Minority Institution Recognized by the Government of India'.

WOMEN'S DEVELOPMENT CELL IN ASSOCIATION

with IQAC- Financial Literacy Class 26/09/2025

Women's Development Cell in association with IQAC organized a Financial Literacy Class in the KVUM Seminar Hall on 26/09/2025. The expert panel included Ragul P (Associate Vice President & Branch Head, Edappal), Sofil Fiyas K (CFL Coordinator, Ponnani Block), and Anantharohini (FLC Counsellor, Ponnani Block). Key subjects discussed were cybercrime awareness, financial autonomy for women empowerment, online security, and opening zero-balance accounts.

INSPIRA – COMMERCE DAY CELEBRATION

PG Dept. of Commerce & Management

September 29, 2025 | 10:00 AM

On September 29, 2025, at 10:00 AM, the PG Department of Commerce and Management Studies, alongside IQAC, hosted INSPIRA, the annual Commerce Day celebration under the central theme "Nurture Your Dreams, Inspire Your Future." The Chief Guest, CA Navas MK (Chartered Accountant & State Tax Officer, Kerala State GST Department, Ponnani), delivered an illuminating keynote address focusing on career paths in financial accounting, corporate taxation practices, GST law, and career advancement in business studies.

"EMOTION" CAMPUS PHOTOGRAPHY CONTEST

September 29, 2025 | 10:00 AM – 01:00 PM

Concurrently on September 29, 2025, from 10:00 AM to 1:00 PM, the institution hosted the "Emotion" Photography Contest for campus students. Inspired by the sentiment that "Photography takes an instant out of time, altering life by holding it still," participating students captured candid, emotional visual moments across the college premises, showcasing artistic storytelling talents

OCTOBER

National Unity Day Celebration

The NSS Unit 250 of K.V. Ustad Memorial Darul Hidayah Orphanage Arts and Science College for Women, Pookkathara, observed National Unity Day on 31 October 2025 to commemorate the birth anniversary of Sardar Vallabhbhai Patel, the Iron Man of India.

The programme aimed to create awareness among students about the importance of national unity, integrity, and solidarity. Students were reminded of Sardar Vallabhbhai Patel's significant contribution towards the integration and unity of India.

The observance highlighted the values of unity in diversity, mutual respect, and national responsibility. NSS volunteers and students actively participated in the programme, making the occasion meaningful and informative.

The programme concluded with a renewed commitment to uphold the unity, integrity, and harmony of the nation.

Health Awareness Programme

The NSS Unit 250 of K.V. Ustad Memorial Darul Hidayah Orphanage Arts and Science College for Women, Pookkathara, organized a Health Awareness Programme on Amoebic Meningoencephalitis on 21 October 2025.

The programme aimed to create awareness among students about amoebic meningoencephalitis, its causes, preventive measures, and the importance of maintaining personal and environmental hygiene. The session highlighted the health risks associated with contaminated water and emphasized the need to take necessary precautions while using swimming pools, ponds, and other water sources.

Students were also given practical instructions on safe water practices, personal hygiene, and ways to prevent the spread of water-borne infections. The awareness session helped students understand the importance of timely precautions and responsible health practices.

The programme was successfully conducted with the active participation of students and NSS volunteers. It was informative and useful in promoting health awareness and preventive care among the students.

Nobel Talk

The Department of Physics of K. V. Ustad Memorial Darul Hidayah Orphanage Arts and Science College for Women, Pookkarathara, organized a Nobel Talk on 17 October 2025. The programme focused on the Nobel Prize in Physics 2025 and highlighted the remarkable contributions of Nobel laureates Michel H. Devoret, John M. Martinis, and John Clarke.

The session introduced students to the groundbreaking research that earned the three scientists the Nobel Prize in Physics. The talk helped students understand the significance of their discoveries in quantum physics and their contribution to the development of modern science and technology.

The programme provided an opportunity for students to learn about the lives, research, and achievements of the Nobel laureates and inspired them to develop greater interest in physics and scientific research. The event was informative and enriching for the students and successfully promoted scientific curiosity among the participants.

NOVEMBER

LEGAL AWARENESS CLASS-11-11-2025

In connection with National Education Day, the Women's Development Cell (WDC) of KVUMDHO Arts and Science College for Women, Pookkarathara, organized a Legal Awareness Class on 11 November 2025 at the college seminar hall.

The session aimed to enhance students' awareness of legal rights, responsibilities, and laws related to women's safety and empowerment.

The programme began with a welcome speech by Ms. Divya P, Women's Development Cell Coordinator. The resource person, Adv. Jaison P. Jose, delivered an insightful and interactive session on various legal aspects concerning women's rights, education laws, and personal safety measures. Students actively participated and clarified their doubts during the session.

The event concluded with a vote of thanks delivered by Afeefa from the Department of Psychology, expressing gratitude to the resource person, the Principal, and all participants for their cooperation and support.

REPORT -KNOWLEDGE SESSION SERIES – 1“CONTRIBUTION OF WOMEN IN PHYSICS”

The Department of Physics KVUM Darul Hidayah Arts and Science College for Women, Pookkarathara conducted the program of the Knowledge Session Series-1 on 14 November 2025, focusing on the theme “Contribution of Women in Physics.” The main objective of the session was to highlight the remarkable achievements of women scientists and to inspire students by showcasing their pioneering contributions to the field of physics. The session included a presentation and discussion on several renowned women physicists, Anna Mani was one of the most respected meteorologist and physicist often called “weather women of India” she made remarkable contributions to atmospheric science, instrument design, and weather forecasting in India Their dedication, struggles, and scientific impact were explained in a simple and motivating manner for the students.

Students actively participated throughout the session by sharing their thoughts, asking questions, and discussing how women’s contributions have shaped modern physics. The program helped create awareness about gender equality in science and encouraged students—especially young women—to pursue research-oriented careers. Overall, the Knowledge Session Series – 1 was a meaningful and inspiring academic initiative, providing students with valuable insights into the history of science and the vital role played by women in advancing physics.

“TALK WITH GEOPHYSICIST” .

The Department of Geology, under the Geology Association **TERRA**, in association with **IQAC**, organized an academic interaction session titled **“Talk with Geophysicist”** on **18 November 2025** at the **Project Room**.

The session was led by **Mr. Akhil Aryan**, a professional geophysicist with international work experience in Nigeria. He introduced students to the fundamentals of geophysics and explained various geophysical tools and techniques used in subsurface studies, mineral and oil exploration, environmental monitoring, and natural hazard assessment. Real-life field experiences from Nigeria provided students with valuable practical and international exposure.

Students actively participated in the session through discussions and questions, gaining a better understanding of geophysical applications, research opportunities, and career prospects. The programme successfully connected theoretical knowledge with practical applications and enhanced students' interest in Earth science and geophysics.

The Department of Geology expresses its sincere gratitude to the resource person, students, and all those who contributed to the successful conduct of the programme.

GIS DAY CELEBRATION – ONE DAY WORKSHOP ON GIS

The **Department of Geology**, under the banner of the **Geology Association TERRA**, in association with **IQAC**, organized a **one-day workshop on Geographic Information Systems (GIS)** as part of the **GIS Day Celebration on 19 November 2025**. The theme of the programme was **“Mapping Today for a Smarter Tomorrow.”**

The programme was inaugurated by **Ms. Shijitha, Head of the Department of Geology**, who highlighted the importance of GIS in geology, environmental management, disaster mitigation, and urban planning. The technical session was handled by **Ms. Mufeeda C.T., Assistant Professor, Department of Geology**. Students were introduced to the basic concepts of GIS, spatial data, map layers, coordinate systems, and GIS applications in geological mapping, environmental monitoring, and land-use analysis.

The workshop witnessed active participation from the students, who gained practical knowledge of geospatial tools and their applications. The programme enhanced their technical skills, analytical thinking, and awareness of career opportunities in GIS and geospatial sciences.

The programme was successfully conducted with the support of the **College Management, Principal, IQAC, faculty members, and students**.

SIR DIGITALIZATION DRIVE 22/11/25 to 24/11/2025

The NSS Unit 250 successfully conducted a three-day SIR Digitalization Drive to support local administrative efficiency. Volunteers actively assisted the Village Offices of Vattamkulam and Edappal in digitizing essential records and helping the public navigate online government services.

Key Outcomes: Administrative Support: Streamlined data entry and digital archiving for office records.

Public Aid: Guided local citizens through digital application processes for various certificates.

Skill Building: Provided students with practical experience in community service and digital management.

The initiative successfully bridged the gap between technology and local governance, reflecting the unit's commitment to social progress.

OBSERVANCE OF NATIONAL CONSTITUTION DAY

KVUM Darul Hidayah Arts and Science College for Women, Pookkarathara, observed **National Constitution Day** on **24 November 2025** at **11.00 a.m.** in the **Seminar Hall**. The programme was organized by the **Women's Development Cell (WDC)** in association with the **Internal Quality Assurance Cell (IQAC)**, with the objective of promoting constitutional awareness and fostering civic responsibility among students.

The programme began with a **welcome speech by Dr. Hashim Thadathil**, who highlighted the significance of the Indian Constitution in ensuring democracy, equality, and justice. This was followed by a **welcome note by Ms. Divya P., Women's Development Cell Coordinator**, who outlined the purpose of the programme and formally welcomed the resource persons, faculty members, and students.

The keynote address was delivered by **Sri. Shabir Ibrahim**, Secretary/Civil Judge, **District Legal Services Authority (DLSA), Manjeri**. In his address, he emphasized the importance of the Indian Constitution, fundamental rights and duties, and the active role of citizens—particularly women—in safeguarding constitutional values in a democratic society.

An additional session was handled by **Adv. Mohamed Shafi K. P.**, Panel Lawyer, **Taluk Legal Services Committee (TLSC), Ponnani**. He explained various constitutional provisions related to women empowerment, legal safeguards, and the need for legal literacy among young citizens. The interactive nature of the session enabled students to gain clarity on basic legal rights and responsibilities.

The programme was well-structured and informative. Active participation from students reflected their interest and engagement. The event effectively enhanced students' understanding of constitutional values such as equality, justice, and social responsibility, thereby fulfilling the objectives of the programme.

The programme concluded with a vote of thanks, acknowledging the valuable contributions of the resource persons, organizers, and participants, and marking the successful completion of the observance.

FACULTY APPRAISAL PROGRAMME

Kokkathara, November 29, 2025: A **Faculty Appraisal Programme** was organized at **K.V. Ustad Arts & Science College** on November 29, 2025, with the primary objective of enhancing the academic standards and professional performance of the teaching faculty.

College Manager P.V. Muhammed Moulavi, Principal Dr. Hashim Thadathil, and Academic Coordinator Anwar Sadath Hudavi attended the programme. The appraisal was conducted under the leadership of **Dr. M.N. Mustafa**.

A comprehensive assessment of the faculty members was carried out, focusing on their **academic performance, teaching methods, and classroom management**. The programme aimed to identify areas for improvement and promote continuous professional development among teachers.

The initiative reflected the college's commitment to improving the quality of teaching and strengthening academic excellence.

DECEMBER

WORLD AIDS DAY AWARENESS PROGRAMME

Date: December 1

Time: 10 AM

Venue: Seminar hall

Programme: Student Seminar

Speaker: Shifana C P

The Department of Psychology of K. V. U. M. D. H. O Arts and Science College for Women, Pookkarathara, organised a seminar titled “Break the Stigma, Know the Facts, Protect the Future” in observance of World AIDS Day. The programme aimed to create awareness about HIV/AIDS and reduce stigma through accurate dissemination of information. The seminar was conducted by Ms. Shifana C P, II M.Sc. Psychology student, who explained the modes of transmission, preventive measures, and psychosocial aspects of HIV/AIDS. Emphasis was placed on correcting misconceptions and promoting informed and responsible health behaviour. The programme enhanced students’ understanding of HIV/AIDS and supported the institution’s commitment to health awareness and social responsibility.

INDUSTRIAL VISIT TO KELTRON

The **Women's Development Cell (WDC)**, in association with the **Academic Monitoring Cell**, organized an **Industrial Visit to KELTRON** on **1 December 2025**. The visit was aimed at providing students with practical exposure to industrial operations, technological applications, and professional work environments.

During the visit, KELTRON officials introduced the students to the organization's history, functioning, manufacturing processes, quality control systems, technological advancements, and training programmes. Students also visited selected sections of the unit and observed production and assembly processes while learning about safety measures and industrial standards.

The students actively interacted with industry professionals and gained valuable insights into technical training, skill requirements, and career opportunities in the electronics sector. The visit successfully bridged the gap between classroom learning and industrial practice, making it a valuable experiential learning opportunity for the students.

WORLD DIABETES DAY

In observance of World Diabetes Day, NSS Unit 250 of KVUM Darul Hidayah Arts and Science College for Women, Pookkarathara, will host an awareness session and medical screening on Tuesday, December 2, from 1:00 pm to 3:00 pm. The program features a specialized awareness class led by Dr. Abdul Hakeem RP (MBBS, MD, FDM), a prominent Physician and Diabetologist, focusing on the critical intersections of diabetes with overall well-being and stress management. In addition to the educational seminar, the event provides a valuable public health service by offering free General Random Blood Sugar (GRBS) testing for all participants to encourage early detection and proactive health monitoring.

INTERNATIONAL DAY OF PERSON WITH DISABILITY

Date : 3 December, 2025

Time : 10.00 am

Venue : College Seminar Hall

Program : Short film presentation & Critical discussion

Speaker : Safna Nasrin

The Department of Psychology at KVUM DHO Arts and Science College for Women, Pookkarathara conducted a Short film presentation. The film presented was a malayalam short film named “KUNJU”. Kunju portrays the life of an autistic child and the emotional world surrounding her, primarily through the perspectives of caregivers and her family. The film attempts to create empathy by showing daily struggles, social misunderstanding, and emotional distance between the child and society.

The presentation paved a way for the students to discuss and open up about their views and opinions about the movie, about autism, and about other disabilities.

WORLD SOIL DAY CELEBRATION – 05 DECEMBER 2025

The **Department of Geology**, under the banner of the **Geology Association TERRA**, in association with **IQAC**, celebrated **World Soil Day** on **5 December 2025** with the theme “**Healthy Soils for Healthy Cities.**” The programme aimed to create awareness about soil conservation, soil health, and sustainable environmental practices.

The programme was inaugurated by **Dr. Hashim Thadathil, College Principal**, through a **tree plantation**, highlighting the close relationship between healthy soil, vegetation, and environmental sustainability.

Various activities, including a **Clay Modelling Competition, Digital Poster Making Competition, Soil Exhibition, and Seminar Presentation**, were conducted with active participation from students of different departments. **Ms. Misna, III B.Sc. Geology**, delivered a seminar on soil health, degradation, and conservation.

The programme provided students with practical knowledge about soil resources and encouraged creativity, environmental responsibility, and conservation awareness. The celebration was successfully conducted with the support of the **College Management, Principal, IQAC, faculty members, and students.**

SWEARING CEREMONY 2025–26

The College Union Election for the academic year 2025–26 was conducted at KVUM Darul Hidayah Arts & Science College on 9 October 2025.

The following students were elected to the various positions of the College Union:

Position	Elected Student
Chairperson	Pooja VP
Vice Chairperson	Fathima Sana
Secretary	Hiba
Fine Arts Secretary	Rinsha
UUC	Ladeeda Sulthana
General Captain	Athulya
Joint Secretary	Rifana
Student Editor	Binisha

Following the election, the elected representatives participated in the swearing-in ceremony and formally assumed their responsibilities as members of the College Union. After taking the oath, they actively engaged in various college union activities, contributing to the academic, cultural, artistic and extracurricular life of the institution.

The College Union served as an important platform for developing leadership, teamwork, responsibility and democratic values among students. The elected representatives worked in coordination with the college authorities and students to support and organize various programmes and activities throughout the academic year.

The College Union Election 2025–26 thus marked an important step in encouraging student participation, leadership and active involvement in the overall development of the college community.

FACULTY DEVELOPMENT PROGRAMME

Faculty Development Programme Held at Assabah Arts and Science College (6-12-2025) A Faculty Development Programme was organized under the auspices of the Consortium of Self-Financing Colleges, Edappal Branch, at Assabah Arts and Science College, Valayamkulam. The programme began with a welcome address by **Mr. P. P. M. Ashraf**, President of Assabah College. The keynote address was delivered by **Prof. Muhammed Koya M. N.**, Principal of Assabah Arts and Science College. The programme was formally inaugurated by **Adv. P. K. Khalimudheen**, Syndicate Member of the University of Calicut.

Janab P. V. Muhammad Moulavi presided over the function. The distinguished guests included **Prof. Dr. Muhammed Unni Elias Mustafa**, Professor and Dean, School of Education, Central University of Kerala, and **Mr. Muhammed Unni Haji**, General Secretary of Assabah College.

Representatives of managements, principals, and faculty members from various colleges attended the programme. **Dr. Hashim Thadathil**, Principal of K. V. Ustad College, and **Mr. Ashraf Ali**, Director of Royal College of Arts and Science, offered felicitations.

The subsequent academic session was led by **Prof. Dr. Muhammed Unni Elias Mustafa**, who delivered a lecture on the topic “**Higher Education Institutions: Decoding Structural and Functional Landscape.**” He highlighted that the primary objective of the programme was to empower educational institutions and faculty members by enhancing their understanding of the structural and functional aspects of higher education.

The programme concluded with a vote of thanks delivered by **Dr. Baiju M. K.**, Vice Principal of Assabah Arts and Science College.

EDUCATIONAL FIELD VISIT

The Department of Physics, KVUM D H O Arts & Science College organized an educational field visit to the Ponnani Lighthouse on Tuesday, 9 December 2025. The objective of the visit was to provide students with practical exposure to the working principles of a lighthouse and to help them connect theoretical physics concepts with real-life applications.

The main aims of the field trip were to understand the functioning of lighthouse navigation systems, observe the application of optics, reflection, refraction, and illumination and to study coastal safety mechanisms and maritime signalling.

A group of students accompanied by faculty members reached the Ponnani Lighthouse by 3 pm . The officials of the lighthouse warmly welcomed the team and provided an introductory session on the history and significance of the lighthouse in maritime navigation. The team climbed up the lighthouse structure and observed the panoramic view of the coastline and harbour. The officials explained how the lighthouse light beam helps fishermen and ships during night navigation and adverse weather conditions.

The field visit to Ponnani Lighthouse was highly informative and successful. It bridged the gap between classroom learning and real-world application.

HUMAN RIGHTS DAY 10/12/2026

The NSS Unit of K.V. Ustad Memorial Darul Hidayah Orphanage Arts and Science College for Women, Pookkarathara organized a Human Rights Day Programme on 10 December 2025 at 1:30 p. m. The programme was conducted with the theme “Human Rights: Our Everyday Essentials.” The awareness session was handled by Ms. Saritha A. M., Assistant Professor, Department of Commerce, followed by a short video presentation highlighting the importance of human rights in daily life. The programme helped to create awareness among students about equality, dignity, and justice, with active participation from NSS volunteers and students.

Objective

The main objective of the program was to educate the community about the dangers of water-borne diseases and to promote preventive health practices to ensure better community well-being.

Outcome

The program received positive feedback from the community. It effectively enhanced public awareness regarding clean water usage, sanitation, and hygiene. The volunteers' dedicated efforts contributed to spreading valuable knowledge and motivating the public to adopt healthy habits.

STUDY TRIP TO NELLIYAMPATHY

In connection with World Mountain Day – 11 December 2025

The **Department of Geology**, under the banner of the **Geology Association TERRA**, organized a field-oriented study tour to **Nelliyampathy, Palakkad**, on **14 December 2025** in connection with **World Mountain Day**, in association with **IQAC**. The programme, titled *“From Classrooms to Mountain Trails – Nelliyampathy Field Visit,”* aimed to provide students with practical exposure to mountain geology and geomorphology.

The students and faculty members travelled by **KSRTC bus**, departing from the college at **5.00 a.m.** During the visit, students observed geological formations, rock features, weathering patterns, slope characteristics, soil profiles, drainage patterns, and mountain landforms. Faculty members guided the students in relating these field observations to concepts learned in the classroom.

The field visit enhanced students’ **observational, analytical, and field-study skills** and created greater awareness about the ecological importance and conservation of mountain ecosystems. The programme was successfully completed with the support of the **College Management, Principal, IQAC, faculty members, and students.**

LEGAL AWARENESS CLASS

The Women Development Cell organized a legal awareness class on "Women Rights and Law" on 18th December 2024 at 2:00 PM. The session was coordinated by Ms. Divya P and conducted by Adv. Hany K.V., who serves as a Panel Lawyer at the Taluk Legal Services Committee (TLSC), Ponnani. The primary aim of the program was to create awareness among women regarding their legal rights and empower them with the knowledge to safeguard and assert these rights in everyday life.

The program commenced with an introduction by the coordinator, Ms. Divya P, who welcomed the gathering and highlighted the importance of legal literacy, particularly for women. She emphasized how awareness of laws can help women tackle social injustices and discrimination. Adv. Hany K.V. then took over the session, delivering an insightful and interactive talk on various aspects of women's rights and legal frameworks in India. The resource person encouraged participants to break barriers of silence and report any violations of their rights without fear. She also provided practical insights into how women can approach legal bodies and seek assistance when needed.

The class concluded with an engaging question-and-answer session. Participants actively raised queries about specific legal concerns, which were addressed by Adv. Hany K.V. with clarity and professionalism. The legal awareness class successfully met its objective of educating and empowering women about their rights and the legal mechanisms available to protect them. The program ended with a vote of thanks by Ms. Divya P, who expressed gratitude to the resource person and participants for their active involvement.

NATIONAL CONSUMER RIGHTS DAY PROGRAMME

The **Women's Development Cell (WDC)**, in association with **IQAC**, organized a programme to observe **National Consumer Rights Day** on **19 December 2025 at 10:00 AM** in the **Seminar Hall**. The programme aimed to create awareness among students about consumer rights, responsibilities, consumer protection laws, and grievance redressal mechanisms.

The session was handled by **Ms. Divya P., Assistant Professor, Department of Commerce and Management Studies**. **Surekha K., Head of the Department of Commerce**, delivered the welcome address and highlighted the importance of consumer awareness, particularly in the context of online shopping and digital transactions.

The interactive session included practical examples and discussions on **online fraud, product returns, warranties, and complaint procedures**. Students from various departments actively participated and clarified their doubts.

The programme successfully enhanced students' **legal and consumer awareness**, encouraging them to become informed, responsible, and ethical consumers. The programme concluded with a vote of thanks delivered by **Pooja V.P., Chairperson**.

SPECIAL CAMP REPORT 2025-26

Theme of camp: Youth for Rural Development

Camp site: DHORSS Kandanakam

Work Site: Kandanakam

Date: 23/12/2025 to 29/12/2025

The annual special camp serves as a crucial activity for fostering personal relations between volunteers and the community. The program officer and volunteers explored multiple locations based on proposals from various regions, ultimately choosing Kandanakam, Kaladi Grama Panchayath in the Malappuram district. The camp's projects are Conducting cleaning drives, School Beautification, plantation drives, Anti-Drugs campaign, cultural activities, swachbharath activity, school garden setting, life skill management, yoga, motivation class, Personality Development classes, Medical awareness program, first aid coaching, visit to fire station etc

EARLY INITIATIVES

For the smooth operation of the camp, a meeting of representatives, including those from cultural, social, and political spheres of the locality, was convened on 19-12-2025 at Kandanakam school.

A reception committee was then formed with the following members.

- Dr. Hashim Thadathil (Principal)
- Jishad Ek (Vice Principal)
- Ashar, Purakkad
- Ummu Kolsu (Haritha Keralam Co-ordinator)
- Soumya P (Program Officer)
- Aswathy P (Staff Secretary)

MAJOR ACTIVITIES

24/12/2025

As part of Special Camp, NSS Volunteers conducted cleanliness programs in Pookkarathara town and beautified the Sneharam near Pookkarathara Mini MCF as part of the program.

25/12/2024

On 24/12/2024 a comprehensive meditation campaign was successfully organized. The session aimed to introduce volunteers to the mental and physical benefits of mindfulness in their daily lives.

Program Highlights

The campaign was conducted in collaboration with the Heartfulness Team, Ponnani, who provided expert guidance on the practice of meditation. The session focused on the following key areas:

Stress Management: Techniques to handle academic and personal pressure.

Anti – Drugs Awareness Class

On 31st December 2024, the Women's Development Cell of KVUMDHO Arts and Science College, Pookkarathara, organized an Anti-Drug Awareness Class aimed at educating students and staff about the dangers of drug abuse and promoting a healthy, drug-free lifestyle. The session was held from 10:00 AM to 12:00 PM, and featured Sri. Promod P.P. (Vimukthi Coordinator, Excise Preventive Officer, and Excise Circle Officer of Ponnani) as the resource person. The event was attended by students, faculty members, and other stakeholders of the college.

The session commenced with a warm welcome address by Ms. Divya P., a faculty member from the Department of Commerce. She expressed the significance of raising awareness about the harmful effects of drugs on individuals and communities. Ms. Divya also highlighted the importance of the Women's Development Cell in organizing such initiatives for the betterment of society. Following the welcome speech, Dr. Hashim Thadathil, the Principal of KVUMDHO Arts and Science College, offered words of encouragement and appreciation. He acknowledged the importance of such educational programs, which contribute to the well-being of students and society. He also felicitated the guest speaker, Sri. Promod P.P., for his contributions to the fight against drug abuse.

In his session, Sri. Promod P.P. provided valuable insights into the various forms of drug abuse, the factors leading to addiction, and the impact of drugs on physical and mental health. He discussed the importance of identifying early signs of drug abuse and taking immediate action. Furthermore, he explained various governmental and non-governmental programs, including the Vimukthi Campaign, aimed at eradicating drug addiction from society. Sri. Promod also engaged the audience in a discussion on the need for a collaborative approach, involving students, faculty, families, and the community, to build awareness and create a supportive environment for individuals who may be struggling with addiction.

The session concluded with a vote of thanks delivered by Sana Sherin C.V., Chairperson of the college. She expressed gratitude to the guest speaker, the Principal, faculty, and all attendees for their participation and support in making the event successful. Sana Sherin reiterated the importance of continuing to raise awareness on the issue of drug abuse and fostering a drug-free environment within the college.

MARCH

International Women's Day (9/03/2026)

As part of observing International Women's Day, the Entrepreneurship Development (ED) Club and IIC jointly organized a special program on March 9, 2026, at 10:30 AM. As the main attraction of this program, entrepreneur and Certified Natural Cosmetics Expert Smt. Smitha Shaji was honored. This honor was organized as part of encouraging women's talents and entrepreneurial spirit in society. Female students and teachers participated in the event. Smt. Smitha Shaji shared her experiences and ideas on topics such as opportunities available to women in entrepreneurship, self-employment prospects, and natural cosmetics manufacturing. The program conveyed the message that women's strength and talent make a significant contribution to societal progress. The program turned out to be an inspiring experience for the female students.

Darul Hidayah Steps into Small-Scale Enterprise: 9/03/2026

As part of the training led by woman entrepreneur Smt. Smitha Shaji, students of Darul Hidayah Women's College launched a small enterprise. The initiative marks the beginning of manufacturing natural cosmetics products. The students made various types of soaps, lip balms, and face washes. The teachers and students have decided to bring these products made by the students to the market in the coming days.

The Success of Self-Confidence (9/03/2026)

Kattakampal native Smitha Shaji is an individual who became an entrepreneur by manufacturing natural cosmetics products. Although she pursued her studies with the desire to become a teacher, life turned her toward a different field. After serving and delivering excellent performance as a Panchayat President and Member, she later shifted her focus to manufacturing natural products. Today, Smitha Shaji has become a notable entrepreneur in the field of self-employment through products such as natural soaps and sprays. She stands as a great role model who advances in life through self-confidence and continuous effort.

Documentary Screening (9/03/2026)

In connection with International Women's Day, the DH Ethnographic Theatre Club organized a documentary screening on women's issues and women empowerment. Teachers and students actively participated in this event. The documentary presented the challenges women face in society and the necessity of according equality and respect to women.
